GOVERNMENT FINANCE OFFICERS ASSOCIATION

Distinguished Budget Presentation Award

PRESENTED TO

City of Webster

Texas

For the Fiscal Year Beginning

October 1, 2017

Christopher P. Morrill

Executive Director

The Government Finance Officers Association of the United States and Canada (GFOA) presented a Distinguished Budget Presentation Award to City of Webster, Texas for its annual budget for the fiscal year beginning October 1, 2017. In order to receive this award, a governmental unit must publish a budget document that meets program criteria as a policy document, as an operations guide, as a financial plan, and as a communications device.

This award is valid for a period of one year only. We believe our current budget continues to conform to program requirements, and we are submitting it to GFOA to determine its eligibility for another award.

City of Webster Mission

It is our mission to promote the health, safety, and welfare of all citizens while maintaining cost efficient programs that enhance the quality of life for our community.

Introduction to the Budget Document

The City of Webster Annual Budget provides citizens, staff, and other readers with detailed information about the City's operations. The Annual Budget serves as a

- > Policy Document to describe financial and operating policies, goals, and priorities for the organization;
- Financial Plan to provide revenue and expenditure information by fund, department, division, category, and account;
- Operations Guide to describe the goals and objectives for the fiscal year; the workload measures to track the activities performed; the performance measures to track progress on the goals and objectives; and the general workforce trends; and as a
- Communications Device to provide information on planning processes, budgetary trends, and integration of the operating and capital budgets

Budget Overview and Summary Information (Page 2 – 55)

Introduction

This section includes the City Manager's Budget Message which addresses the Mayor, City Council, and citizens of Webster regarding major policies and key issues that impacted the development of the Annual Budget. This section also contains the City's vision and goals, a budget calendar flow chart, fund structure, organization chart, and employee count history.

Policies

This section includes the City's financial management policies.

Budget Summaries

Several consolidated schedules of all City funds are presented to give an overall perspective of the upcoming budget as well as historical, estimated and projected fund balances.

Operating Budgets (Page 56 - 205)

General Fund Overview

This section describes and analyzes the General Fund using a combination of narrative, tables, and graphs to highlight key aspects of the budget including revenues, expenditures, and fund balance. A brief description is given of the sources, trends and assumptions made for major revenues. Expenditure information is detailed by division, category and account. Also included is a listing of requested and approved supplemental packages for the upcoming budget year.

General Fund

This section provides strategic, operational, performance, and budgetary information for each of the City's divisions within the General Fund (organized by function). Function pages include a list of the divisions that make up each governmental function; a mission statement for each function; significant achievements from the previous fiscal year; city-wide goals that are being addressed during the year; and financial summaries and charts. Each division's operating budget includes a description of the division; goals and action items with their relationship to the overall City goals; workload and performance measures; significant changes for the upcoming budget year; and a personnel summary. Expenditure budgets for each division are detailed by account.

General Debt Service Fund

This section outlines the City's tax-supported debt. Amortization schedules for all outstanding debt are provided.

Operating Budgets for Other Funds

The operating budgets for the other funds of the City are presented in a manner similar to the General Fund. The overview page includes a description of the fund along with a fund balance history. Revenue and expenditure/expense budgets are detailed by account. Additional summaries are presented for the Utility Fund.

Capital Improvements Program (Page 206 - 235)

This section presents the City's plan for development for Fiscal Years 2019 - 2023. Components of this section include:

- An overview of the Capital Improvements Program;
- A narrative summary of projects;
- A five-year plan detailing expected project expenditures, potential sources of funding, and possible future impacts on operating budgets resulting from additional O & M expenditures;
- A summary of unobligated fund balances in capital projects funds.

Webster Economic Development Corporation (Page 236 - 247)

The operating and debt service budgets for the Webster Economic Development Corporation are presented in a similar fashion to the General Government. The overview page includes a description of the fund followed by a fund balance history. Achievements, goals, and significant changes to the budget along with workload measures and performance measures are highlighted in the mission statement. Revenue and expenditure budgets are detailed by account. Amortization schedules for all outstanding debt are also provided.

Appendix (Page 248 - 265)

This section contains supporting information, such as a chart of accounts, a glossary, and a listing of acronyms.

OFFICE OF THE CITY MANAGER

September 18, 2018

TO THE HONORABLE MAYOR, MEMBERS OF CITY COUNCIL AND CITIZENS OF WEBSTER:

On behalf of our staff, I am pleased to present the Annual Budget for the fiscal year beginning October 1, 2018 (FY 2018-19). The attached document represents the City's financial plan and operations guide for the next fiscal year. It includes the performance—oriented budgeting principles that are mandated by Council. The budget identifies issues confronting the community and provides a plan for serving and meeting citizen expectations. A discussion about the City's vision and long-term strategic plan can be found on pages 34-40 of this document.

Financial prosperity has again returned to Webster, but this time it comes from an unfortunate source. Hurricane Harvey dumped over four feet of rain on the city in August 2017. While our thoughts remain with those who continue with recovery efforts, Webster, due to its unique location, sustained relatively little damage when compared to our neighboring cities. The concentration of retailers in the City who sell furniture, flooring, and other items that must be replaced after such a disaster has driven sales tax revenue to record levels.

Strong growth in the Houston economy overall has also contributed to our success. Professional services and manufacturing are leading the charge. The energy sector is also expanding. The unemployment rate was 4.4 percent in July 2018. In January 2018, the Webster Economic Development Corporation approved an Economic Development Agreement with Costco Wholesale Corporation to facilitate the opening of a new 156,000 square foot retail facility before the end of 2018. The City of Webster entered into a Chapter 380 Economic Development Agreement with American Furniture Warehouse in December 2017 for the construction of a 150,000 square foot furniture showroom and its 250,000 square foot warehouse. This incredible venue is expected to open in the second half of 2019. Exclusive Furniture will open its 50,000 square foot store in April 2019.

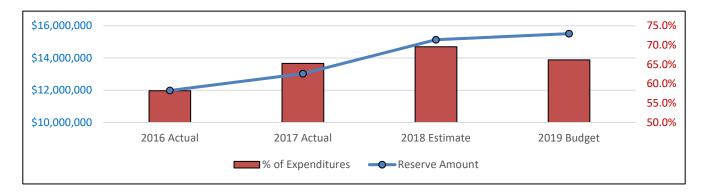

The FY 2018-19 Annual Budget includes total resources of \$45,696,470 and expenditures of \$40,460,500, including transfers and planned use of fund balance. The current amended budget for FY 2017-18 contains resources of \$41,806,660 and expenditures of \$39,698,220 by comparison. This message discusses, by fund, the major issues, initiatives, and assumptions addressed in the budget.

MAJOR ISSUES - GENERAL FUND

The General Fund is the chief operating fund of the government. It is used to account for all current financial resources not required by law or administrative action to be reported in other designated funds. The primary governmental functions occurring within this fund are public safety, public works, community development, and general administrative operations such as city management and finance.

GENERAL FUND RESERVE LEVEL

The City has followed a policy of maintaining a reserve level of not less than 25%, or three months of expenditures, for all operating funds in the event of emergencies, financial recessions, and other unforeseen circumstances. The City's dependence upon sales tax revenue adds substantial volatility to its revenue stream. Therefore, City Council has approved an unassigned spendable fund balance (reserve) level of at least 33% for the General Fund and the Webster Economic Development Corporation. Below is a chart of the General Fund's unassigned spendable balances for the past two years, an estimated balance for the fiscal year ending September 30, 2018, and the projected balance for the fiscal year ending September 30, 2019.

GENERAL FUND REVENUES

The General Fund receives revenue from several sources. Foremost among them is sales tax. Below is a discussion of the significant revenues.

Sales Tax

Fifty-eight percent of General Fund revenue is derived from sales taxes. The FY 2018-19 Annual Budget anticipates revenue to surge by twelve percent to \$13,820,250. Most of the gain in sales taxes can be attributed to Costco and Exclusive Furniture. Meanwhile, a three percent growth in sales from the existing tax base should not be minimalized as the local economy continues to shine. The opening of American Furniture Warehouse may come too late into the fiscal year to have a material effect on revenues, and consumer spending due to Hurricane Harvey will likely diminish in the coming months.

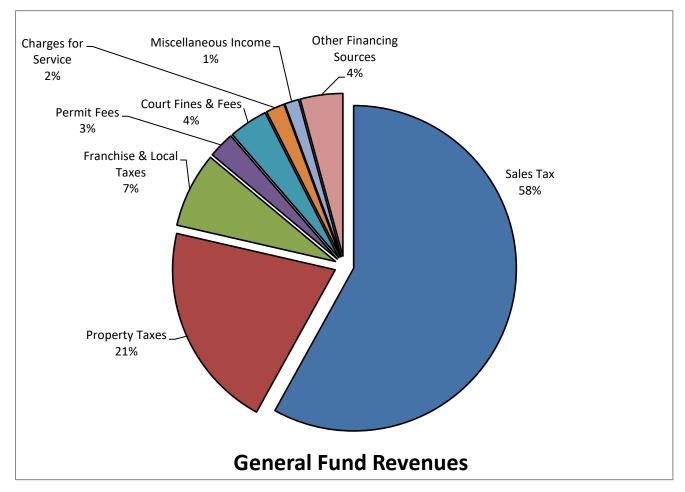

Property Tax

Another large revenue source in the General Fund is the ad valorem tax. Webster's ad valorem tax rate is comprised of two components. The first is the operations and maintenance component that provides revenue for the City's General Fund operations. The second component is the debt portion that provides revenue to pay the City's general debt service obligations.

The Harris County Appraisal District reports that the taxable value of property located within the city has increased by three percent to \$2,108,310,956. Current property tax revenue of \$4,874,000 is budgeted. The FY 2018-19 Annual Budget reflects a property tax rate of \$0.34794 per \$100 of valuation, ten percent greater than the \$0.31725 tax rate that was adopted for 2017. The increase to the property tax levy is justified by the debt that was issued during 2018.

Other Revenues

Permit fees increase by eighteen percent as residential and commercial construction continues to remain strong. Municipal court fines and fees grow by six percent. Interest income more than doubles now that yields have risen above two percent. Most other revenues remain relatively stable.

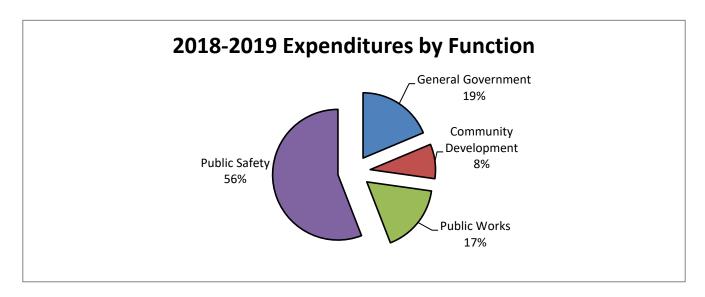

COMPENSATION

Maintaining a competitive compensation program is a key component to attract and retain qualified employees. Additionally, recognizing employees for their job performance is an essential motivational tool. The City Council has proven its commitment to this philosophy by including the below items in the FY 2018-19 Annual Budget:

- Depending upon an individual's performance, employees are eligible to receive a 2.5% or 5.0% increase in pay as part of the normal review cycle. Personnel costs climb by \$458,000 as a result.
- After experiencing few claims during the year, health insurance premiums are expected to fall by two percent.
- The most recent compensation study was completed using data from 2017. A new review will be performed during FY 2018-19 to ensure that employee salaries remain congruent with the market.

GENERAL FUND EXPENDITURES

There are four governmental functions within the General Fund: public safety, public works, community development, and general government. Protecting constituents from harm is the primary responsibility of government. The FY 2018-19 Annual Budget allocates fifty-six percent of General Fund expenditures for public safety. The general government function, which is administrative in nature, comprises nineteen percent. Public works and community development make up seventeen and eight percent of the budget, respectively.

PUBLIC SAFETY

Police and Fire are the two departments that provide the Public Safety function. Police contains four divisions: Administration, Crime Investigation, Patrol, and Communications. Fire consists of two divisions: Prevention and Operations.

Police Department

The most significant expenditures in the General Fund are related to police protection. By far the largest department in the City, the budget for the Police Department expands from \$8,452,090 to \$8,982,490. Some noteworthy items for the Police Department include:

- Two Telecommunications Operator positions are added to assist with the increased call volume during peak hours of operation. Personnel costs in the Communication Division rise by \$150,000 for this service enhancement.
- The Patrol Division will proactively prevent offenses with the acquisition of a portable surveillance camera trailer and a metal detector. A new commercial vehicle enforcement program may also be initiated. Capital outlay in this division grows by \$56,000 as a result.
- Appropriations for service contracts in the Administration Division increase by \$9,000 for software that will unlock most cellphones during criminal investigations.

Fire Department

Fire prevention, fire suppression, emergency medical services, and emergency management remain a high priority. The FY 2018-19 Annual Budget incorporates expenditures totaling \$4,124,480, an increase of \$746,930 over FY 2017-18. Major changes include:

- The Emergency Management Department that was created in 2016 will be consolidated
 with the Fire Prevention Division beginning in FY 2018-19. The Director of Emergency
 Management position will be eliminated, but its job duties will be performed by the Fire
 Chief. The resulting savings will provide money for one Shift Commander position that
 was previously unfunded.
- The number of emergency calls that require ambulance services continues to increase.
 Of greatest concern are the simultaneous calls that stretch response capabilities.
 Appropriations in the Fire Operations division swell by \$354,000 to add a second ambulance for twelve hours per day.
- Having received paramedic training, firefighters will have the ability to provide life support to patients with the procurement of an advanced defibrillator/monitor unit for \$32,500.

PUBLIC WORKS

Within the General Fund, Public Works consists of three divisions: Administration, Maintenance, and Parks Maintenance. Public Works is responsible for the construction and maintenance of streets, sidewalks, and City facilities; landscaping of parks and medians; repairs to City vehicles; and animal control. The budget for Public Works goes up by \$265,920 in FY 2018-19 from \$3,691,110 to \$3,957,030 with changes to the following:

- As the volume of construction projects escalates throughout the city, it has become apparent that extra staff is needed to assist with the coordination and direction of these assignments. Consequently, one Project Manager position is being added to the Administration Division budget for \$103,000.
- The Maintenance Division budget includes \$275,000 to overlay the pavement at Professional Park and construct sidewalks along Bay Area Boulevard.
- Appropriations for building maintenance in the Maintenance Division include \$205,000 to remodel some office areas and install a power supply to the west buildings of the service center.

COMMUNITY DEVELOPMENT

There are three divisions within Community Development: Administration, Building, and Recreation. Duties of Community Development are comprehensive land use planning; building permitting and inspection; code enforcement; and recreation and educational program development. The budget increases by \$132,750 to \$2,005,410 with these notable items:

- The Recreation Division will implement several new community events, including music and movies in Texas Avenue Park, for a sum of \$24,000.
- Code enforcement activities will get a boost with the acquisition of two automated ticket writers. The \$7,000 charge for these items can be found in the small tools and equipment budget of the Building Division.
- Expenditures for office furnishings fall by \$2,000 after several conference room chairs were purchased during FY 2017-18.

GENERAL GOVERNMENT

Seven divisions deliver the general government function of the City: City Council, City Secretary, City Manager, Finance, Municipal Court, Human Resources, and Economic Development. It is the mission of these divisions to effectively execute polices, programs, and directives of the City in a practical,

accountable, and transparent manner. Appropriations for this endeavor total \$4,414,560, an increase of \$417,990 over the previous year.

- The City Manager Division was expanded during FY 2017-18 with the creation of a new Assistant City Manager position. Subsequently, administrative support will be needed to relieve that burden from the City Secretary staff who have been performing those duties. The FY 2018-19 budget adds one Administrative Assistant position at a cost of \$71,000.
- An extra vehicle for staff at City Hall to use while attending training and events is reflected in the budget of the City Manager Division as a supplemental request for \$29,000.
- Financial charges in the Finance Division rise by \$30,400 to pay for banking fees, armored car service, and various professional services.

MAJOR ISSUES - UTILITY FUND

The Utility Fund accounts for the City's water distribution, wastewater collection and treatment operations, and storm water pollution prevention program. Being an enterprise fund, it is designed to be financed and operated in a manner similar to private businesses. Accordingly, utility charges should be sufficient to cover annual operating and capital costs while providing income for future capital needs. The Utility Fund consists of three divisions within the Public Works Department: Water, Wastewater, and Drainage. Debt service for the Utility Fund is paid through the Utility Interest and Sinking Fund.

UTILITY FUND REVENUE

The consumption of water and collection of wastewater is projected to increase by seven percent for residential customers and two percent for nonresidential customers. Utility revenue is expected to increase by \$202,750 to \$6,132,700, excluding the use of reserves. After adjusting the various rates as discussed below, a typical resident who consumes 5,000 gallons of water will see an increase to his utility bill in the amount of \$0.37 per month.

Water Rates

In May 2017, City Council approved a new five-year rate structure that was recommended by a consultant. Conforming to the plan, the base rates for water rise by two percent for all meter sizes. Volumetric rates do not change from the previous year. A summary of the monthly volumetric water rate charges per 1,000 gallons is shown on the following page.

Class	Current	Adopted
Residential	\$ 3.81	\$ 3.81
Apartment	\$ 4.59	\$ 4.59
Commercial	\$ 4.13	\$ 4.13

Wastewater Rates

The base rate for wastewater collection and treatment grows from \$9.00 to \$9.27 per 1,000 gallons. There is no modification to the volumetric rate for all customer billing classes. The schedule below reflects the monthly volumetric wastewater rates:

Class	Current	Adopted
Residential	\$ 5.29	\$ 5.29
Apartment	\$ 5.29	\$ 5.29
Commercial	\$ 5.29	\$ 5.29

Drainage Rates

The drainage rates that are listed below remain unchanged for FY 2018-19.

Class	Adopted
Houses	\$ 1.24 flat rate for all houses
Apartment / Condominium	\$ 0.733 per 1,000 sq. ft. of impervious surface
Nonresidential	\$ 0.767 per 1,000 sq. ft. of impervious surface

Below is a comparison of the amounts charged by our surrounding cities to residential water and wastewater customers who consume 5,000 gallons through a 5/8th-inch meter.

City	Total	City	Total
Pasadena	\$40.30	League City	\$51.15
Webster	\$43.36	Nassau Bay	\$52.50
Friendswood	\$46.95	Seabrook	\$59.38
Humble	\$47.20	Pearland	\$64.86
Sugar Land	\$49.08	Baytown	\$66.33

WATER

The Water Division's primary responsibility is to operate and maintain the water plants and distribution system in an efficient manner. Expenses climb from \$2,644,590 to \$2,683,800 in FY 2018-19. Some of the changes to the Water Division include the following:

- Webster purchases surface water from the City of Houston. Southeast Water Purification Plant expenses grow by \$100,360 due to a true-up of prior year capital costs.
- Capital outlay falls by \$160,000 after the acquisition of a base tower meter reader and hydro excavator during FY 2017-18.
- After debt was issued in 2018 for the engineering portion of the 42" water line replacement project, the transfer to the Utility Interest and Sinking Fund increases by \$115,930 to pay the associated debt service.

WASTEWATER

This division protects the public health through the collection, treatment, and disposal of wastewater in accordance with all local, state, and federal regulations. The FY 2018-19 Annual Budget reduces expenses by \$726,920 to \$2,366,820. Various Wastewater Division deviations are shown below.

- The City has performed major maintenance on the wastewater treatment plant over the past few years. Expenses in FY 2018-19 fall by \$503,200 after replacing the belt press and repairing the bar screens at the plant during the previous year.
- The outstanding balance of utility revenue bonds that were issued in 2008 were redeemed with cash in 2018 to save \$473,000 in interest payments over the next thirteen years. The transfer to the Utility Interest and Sinking Fund falls by \$149,130 accordingly.
- The transfer to the Utility Construction Fund decreases by \$188,690 after the force main at lift station #3 was upsized during FY 2017-18.

DRAINAGE

This division protects the public health through the maintenance of the drainage system in accordance with all regulatory agencies. The budget expands by \$193,430 to \$461,850 with the following items:

- Collection system maintenance expenses surge by \$135,000 to repair storm sewers at Travis Street and Professional Park.
- The storm water permit must be renewed every five years. Charges for professional services increase by \$25,000 to hire a consultant to assist with the renewal.

MAJOR ISSUES - SPECIAL REVENUE FUNDS

A special revenue fund is a governmental fund type used to account for the proceeds of specific revenue sources that are legally restricted to expenditures for certain purposes. The City's annual budget contains five special revenue funds. They are Hotel Occupancy Tax, Municipal Court Programs, Public Safety, Grant, and PEG Channel.

HOTEL OCCUPANCY TAX FUND

The Hotel Occupancy Tax Fund records the receipt and distribution of the City's hotel occupancy tax, which is levied at five percent of the room rental rates. Authorized by state statute and approved by City Council, expenditures must promote tourism and the hotel industry. Currently, eighteen hotels are located within the City of Webster. Totaling \$1,649,020 for FY 2018-19, occupancy tax revenue has increased 33% after new hotels opened and tourism returned in force.

In April 2017, City Council agreed to fund the \$3,500,000 restoration of the Apollo Mission Operations Control Room and related areas at NASA Johnson Space Center. Payments were spread over two years: \$1,800,000 and \$1,700,000 in 2017 and 2018, respectively. Expenditures in the FY 2018-19 Annual Budget fall substantially now that funding for this project has been completed.

MUNICIPAL COURT PROGRAMS FUND

This fund is used to promote judicial efficiency, provide security for the courtroom and court officers, and support school crossing guards and child safety programs. It is also used to enhance and upgrade court technology. Expenditures for the fiscal year total \$61,300.

GRANT FUND

The purpose of this fund is to account for the receipt of grant funds from the State or Federal government. The specific grants included in the budget may or may not be awarded to the City. For FY 2018-19, the City may apply for grants totaling \$25,460.

PUBLIC SAFETY FUND

The Public Safety Fund includes various donations, contributions, and auction proceeds from seized property. The receipt and disbursement of these funds are sporadic in nature. Expenditures of \$46,000 are anticipated.

PEG CHANNEL FUND

This fund was created to amass money for a public, educational, and government access channel. Funding for this channel is derived from local cablevision franchisees in accordance with Chapter 66 of the Texas Utilities Code. The FY 2018-19 Annual Budget anticipates annual revenue of \$32,000. No expenditures are anticipated.

MAJOR ISSUES - DEBT SERVICE FUND

This fund is used to accumulate a dedicated portion of property taxes for payment of the City's general debt. Additionally, the Webster Economic Development Corporation transfers \$330,030 into this fund to service the debt that was issued in 2001 for renovation and expansion of the Emergency Operations Center and Police Department building. Revenue from property tax collections is expected to be \$2,461,670. Expenditure appropriations for FY 2018-19 total \$2,794,240.

Payments on tax-supported debt comprise less than seven percent of all appropriations included in the FY 2018-19 Annual Budget. Payments over the next three years will average \$2,784,621. If no additional debt is issued, the average annual debt service will fall considerably in FY 2021-22 to \$816,890. The current Capital Improvements Program does, however, reflect the possibility of incurring new debt to fund various projects. With proper planning and prudent judgment, the effect of debt service upon the operations of the city will remain minimal.

MAJOR ISSUES - INTERNAL SERVICE FUNDS

INFORMATION TECHNOLOGY FUND

The Information Technology Fund is an internal service fund used to account for all costs of providing general information technology services to the City. These activities are financed through charges to the user divisions for services rendered. The FY 2018-19 Annual Budget reflects expenses in the Information Technology Fund of \$979,930, a decrease of \$81,130 from the previous year, with these notable items:

- Service contract expenses fall by \$113,640 after funding new antivirus software and security alarm equipment during FY 2017-18.
- Computer replacement costs rise by \$110,100 to replace servers that have become obsolete.
- The City's computer network infrastructure must be maintained at current standards. The \$200,000 transfer to the IT Projects Fund will be used to rewire all city buildings with modern fiber optic cables to increase data transfer speeds.

EQUIPMENT REPLACEMENT FUND

The purpose of this fund is to provide for the replacement of vehicles and equipment as necessary based upon mileage, age, or maintenance costs. All divisions will again transfer 100% of the scheduled contribution amount in FY 2018-19. Funding was reduced to 75% a cost saving measure three years ago. The \$1,135,000 expense budget contains the replacement of twenty-six items. A breakdown by department is shown on the following page.

Department	Vehicles/Equipment
City Manager	1
Public Works	8
Police	9
Fire	1
Water	6
Wastewater	1

EMPLOYEE BENEFIT TRUST FUND

The purpose of this fund is to account for all costs of providing health and dental insurance to employees. Each division is charged based upon the number of employees and the type of insurance coverage they select. The FY 2018-19 Annual Budget anticipates expenses of \$2,150,000.

CONCLUSION

Conservative management has placed the City of Webster in a sound financial position. The General Fund and Utility Fund have healthy reserves. Major economic development solidifies the sales tax base. Property tax rates, while remaining lower than most cities, must increase to pay the greater debt burden. Although costs have escalated over the previous year, the City is increasing its investment in community services.

I would like to thank the Mayor and members of the City Council for their leadership and dedication to the citizens of Webster. I also wish to express my appreciation to City staff, particularly the Finance Department, who contributed many hours of hard work to bring this budget to fruition.

Wayne J. Sabo City Manager

History of Webster

James W. Webster, a steamboat operator based in Galveston, brought a group of English settlers to this area in 1879. About 1882, a post office was established for the area and named Websterville. Ten years later, the area was surveyed to create a town site named Webster. Mrs. Allen, daughter of J. W. Thompson, a general store owner and postmaster, established the first school in Webster in 1893. It was located near the present elementary school on Walnut Street.

Ranching was well established in the area along Clear Creek when the first English settlers arrived. The mild climate and fertile soil also attracted farmers who planted a wide range of fruits and vegetables, including okra, beans, onions, carrots, figs and strawberries. Satsuma orange groves were planted in the early 1900's, followed by pear orchards.

Rice was emerging as a major cash crop in 1903 when the Houston Chamber of Commerce invited Seito Saibara of Japan to advise farmers on the cultivation of rice. The Saibara family settled in Webster and planted a field with Shinriki seed, a variety superior to native rice. Over the years the Saibaras aided the Texas rice industry with improved strains of rice and agricultural techniques. Webster was described as "the cradle of the Texas Gulf Coast rice farming industry" in 1961. Seito Saibara is credited with spawning the multi-million dollar Texas rice industry.

Webster has had its share of tragic events and setbacks. Only a few houses remained standing after the great 1900 hurricane, which killed thousands in Galveston. About half of Webster's population left after the storm. Just when Webster began prospering again, an early, severe freeze decimated the local orange industry in 1916. Pear orchards suffered a similar fate. Built in 1911, the Webster State Bank closed in 1916 after the orange groves failed. Webster remained a quiet farming and ranching community over the next few decades. Cattle, rice and truck farming provided residents and businesses the sustenance to maintain a fairly stable population.

One of the most important oil booms in the nation arrived in the early 1930's with the discovery of oil in what is known as the "Webster-Friendswood Field." The known reserve of 450,000,000 barrels produced 15,000 barrels a day. Humble Oil (now Exxon) was the principal and major producer in the field. The Humble Tank Farm and the discovery of oil helped boost the area's economy. Later, Houston Lighting and Power Company's Webster Generating Station provided tremendous benefits to the small community by contributing significantly to its tax base.

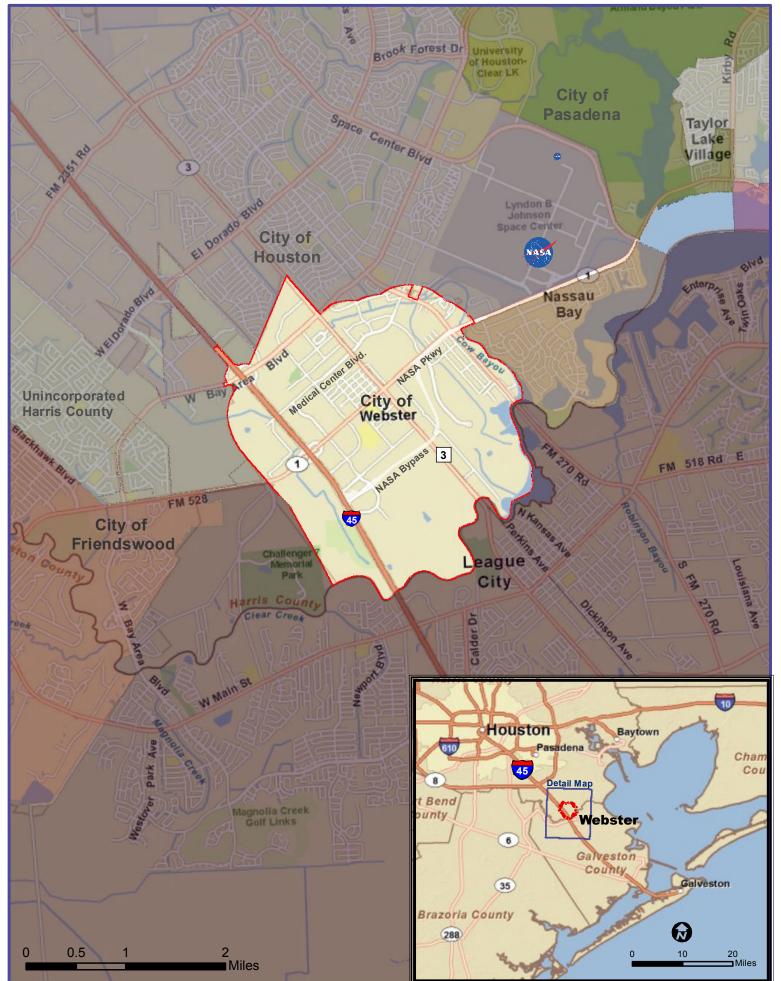

Webster was considered a village until 1958. A referendum was held that year for incorporation. It passed, 108 to 3. The coastal prairie community would now ride its wave into the future as a "city." Webster's population grew from 329 in 1960 to over 2,000 by 1970. The construction of the Manned Spacecraft Center (now Johnson Space Center) in 1961 sparked phenomenal growth and development over the entire Bay Area. Webster has continued growing steadily over the years and today boasts a population of over 10,000.

Although the City limits encompass only 6.67 square miles, Webster has become the commercial hub of Bay Area Houston. The City's retail strength is exemplified by featuring some of the top-performing stores within the entire Houston Metropolitan Area, within the State of Texas, and within the nation. Webster boasts eighteen hotels and more than 100 restaurants. Numerous healthcare facilities in the City accommodate more than 1,500,000 patients annually. With Johnson Space Center nearby, Webster is home to some of the top aerospace companies in the world. These all contribute greatly to Webster's economic vitality.

(This history includes excerpts from an original article written by Tom Wilks.)

Financial Policies

Introduction

The financial policies establish a basic framework for the fiscal management of the City. The policies encompass requirements of the City Charter and the Texas Local Government Code. The policies provide a format to evaluate the City's operations and the authoritative procedures by which the City conducts its financial affairs. A periodic review is conducted and modifications are made to accommodate the needs of the City.

Fiscal Year

The City operates on a fiscal year that begins on October 1 and ends on September 30 of the succeeding year. The fiscal year will also be established as the accounting and budget year.

Budget Administration

The City will maintain a budgetary control system to ensure expenditures are made in accordance with the adopted annual budget and the City Charter. Expenditures for each division shall not exceed the adopted budget for the division. The budgetary control level (that is, the level at which expenditures cannot legally exceed the budgeted amount) is established at division levels within an individual fund. Budgetary control is achieved through a computerized purchase order system, which does not allow for processing if sufficient funds are not available at the individual expenditure account level within a division. Budgetary control for the capital projects funds is achieved through legally binding construction contracts.

The City Charter requires the City Manager to submit a balanced budget to the Mayor and Council at least sixty days prior to the beginning of the fiscal year. A budget is considered balanced when expected resources, including the use of accumulated reserves, exceed or are equal to anticipated expenditures. The budget is approved in the form of an appropriations ordinance. During the year, the City Manager has the authority to transfer budgeted amounts between accounts within any division, but changes to the total appropriation level for a given division can only be enacted by the Mayor and Council through a budget amendment ordinance.

The City uses a program-based budget approach to operating expenditures. Each year every activity and program is evaluated anew; goals and objectives are set for the coming year; and costs are analyzed on a line by line basis.

The Annual Budget includes appropriations for all City operating funds. Capital projects funds are presented separately in a dedicated section. Appropriations for the annual operating budget lapse at the end of each fiscal year. Appropriations for capital projects carry over until project completion.

Under the City's budgetary process, outstanding encumbrances at the end of the fiscal year are reported as reservations of fund balances; they do not constitute expenditures or liabilities.

Basis of Accounting and Budgeting

The City of Webster's annual budgets shall be prepared and adopted on a basis consistent with generally accepted accounting principles (GAAP) as promulgated by the Governmental Accounting Standards Board (GASB) and other recognized professional standards for all governmental and proprietary funds.

Governmental Funds

Accordingly, all governmental fund budgets are presented using the current resource measurement focus and modified accrual basis of accounting. Under this method of accounting, revenue and other governmental fund resources are recognized in the accounting period in which they become susceptible to accrual – that is, when they become both "measurable and available" to finance current operating expenditures for the fiscal period.

In applying the susceptible to accrual concept to real and personal property tax revenue recognition, "available" means property tax revenue is recognized currently if levied before the fiscal year end and collected by intermediaries within 45 days after the fiscal year end (considered the availability period). Sales taxes, franchise fees, hotel occupancy taxes, permit fees, fines and forfeitures, charges for service, and miscellaneous revenue (including interest income) are recorded as revenue when cash is received. Grant revenue, which is dependent upon expenditures by the City, is accrued when the related expenditures are incurred.

Expenditures in the governmental funds are generally recognized under the modified accrual basis of accounting when the related fund liability is incurred, if measurable. An exception to this general rule is principal and interest on long-term debt which are recognized when due.

Because the appropriated budget is used as the basis for control and comparison of budgeted and actual amounts, the basis for preparing the budget is the same as the basis of accounting.

Proprietary Funds

The City's proprietary funds budgets are presented using the economic resources measurement focus and accrual basis of accounting. Under this method of accounting, revenue is recognized when earned and become measurable while expenses are recognized in the period incurred, if measurable. For example, earned but unbilled utility revenues are accrued and reported in the financial statements the same way they are incorporated within the operating budget. The basis for preparing the budget is the same as the basis of accounting except for principal payments on long-term debt and capital outlay which are treated as budgeted expenses. Proprietary fund capital purchases are budgeted in the operating budget and recorded as expenses during the year; at year-end, they are capitalized for financial statement purposes. Depreciation and compensated absences are not recognized as budgeted expenses.

Revenues

For every annual budget, the City shall levy two property tax rates: operations & maintenance and debt service. The debt service levy shall be sufficient for meeting all principal and interest payments associated with the City's outstanding tax-supported debt for that budget year. The debt service levy and related debt service expenditures shall be accounted for in the General Debt Service Fund. The operations & maintenance levy shall be accounted for in the General Fund.

Revenues are budgeted conservatively using an objective approach to analyze historical data and inherent trends. Adjustments are made to account for known events and projected economic activity within the city and surrounding areas.

Revenue from "one-time" or limited duration sources will not be used to pay for recurring expenditures within the City's budget.

Restricted revenue shall only be used for the purposes legally permissible and in a fiscally responsible manner.

On an annual basis, the City will set fees and rates for the proprietary funds at levels to recover total direct and indirect operating costs, including capital outlay and debt service.

The City will follow an aggressive policy of collecting all revenues by reviewing its receivables annually and implementing collection procedures to obtain all revenues due to the City in a timely manner.

Fees for recreational activities will be set at levels determined by City Council to provide the activity in an economical manner for citizens.

Expenditures / Expenses

The City will budget, account, and report detailed expenditures in the following categories: personnel, supplies, maintenance, services, debt service, capital outlay, transfers, and other financing uses.

The City will constantly strive to improve the level of service for its citizens without an increased level of cost. The City will also seek to reduce the cost of the current level of services provided through innovative programs and initiatives.

Personnel expenditures will reflect the minimum staffing necessary to maintain the established quality and scope of city services. The City will maintain a market-competitive compensation and benefit package to attract and retain quality employees.

The City will provide for adequate maintenance of capital assets and for their timely replacement. Each division shall project future capital requirements for a minimum of five years in order to accommodate the acquisition of capital while maintaining a consistent level of expenditures for each budget year. Purchases of vehicles and major equipment are reported in the Equipment Replacement Fund.

The capitalization threshold for an asset is \$5,000. Minor equipment with a unit cost under \$5,000 is included in the supplies category of each division rather than treated as capital outlay.

Cash Management / Investment Policies

Investments and cash management will be the responsibility of the Director of Finance.

City funds will be managed in accordance with the prudent person standard with an emphasis on safety of principal, liquidity, and yield, in that order.

Investments of the City will be made in accordance with the City's adopted Investment Policy.

The City will diversify use of investment instruments to avoid incurring unreasonable risks inherent in over-investing in specific instruments, individual financial institutions, or maturities.

Cash is combined into one pooled operating account to facilitate effective management of the City's resources and to maximize yield from the overall portfolio.

The Director of Finance shall present reports of the City's investments and cash position quarterly to the Mayor and City Council.

Accounting, Auditing, and Financial Reporting Policies

The City's accounting system will be maintained in accordance with generally accepted accounting principles.

The City places continued emphasis on the maintenance of an accounting system that provides strong internal budgetary and accounting controls designed to provide reasonable, but not absolute, assurances regarding the safeguarding of assets.

Quarterly, the City Manager shall submit to the City Council, a report covering the financial condition of the City. The financial report will compare actual revenues and expenditures to budgeted amounts for all major funds.

The City of Webster issues a Comprehensive Annual Financial Report (CAFR) within six months of the close of the previous fiscal year. The CAFR will be submitted annually to the Government Finance Officers Association for peer review as part of the Certificate of Achievement for Excellence in Financial Reporting program. All reports prepared by the auditors, and management's response to those reports, will be presented to the Mayor and Council at a regularly scheduled Council meeting.

An independent audit of the City of Webster is performed annually. The auditor's opinion will be included in the City's CAFR.

Fund Balance / Reserve Policies

On February 15, 2011, the City Council approved a Fund Balance Policy in compliance with Governmental Accounting Standards Board Statement 54. Included in the policy are the following provisions:

The City Council is the government's highest level of decision-making authority and the formal action that is required to be taken to establish, modify, or rescind a fund balance commitment is a resolution approved by the Council at a City Council meeting. The resolution must either be approved or rescinded, as applicable, prior to the last day of the fiscal year for which the commitment is made. The amount subject to the constraint may be determined in the subsequent period.

The City Council may assign fund balance to a specific purpose in relation to this fund balance policy. By resolution, the Council has also authorized the City Manager and Director of Finance to assign fund balance. Assignments of fund balance by the City Manager and Director of Finance do not require formal action by the City Council; however, each assignment must be approved by both authorized officials before the item can be presented in the financial statements.

The City will strive to maintain an unassigned fund balance of not less than 25% of the budgeted expenditures in all City operating funds. Due to the volatile nature of a majority of its revenues, it is not deemed excessive for the City to maintain fund balance in the General Fund and WEDC Fund at levels greater than 33% of the budgeted operational expenditures. The purpose of this unassigned balance is to alleviate significant unanticipated budget shortfalls and to ensure the orderly provisions of services to citizens. Should unassigned fund balance fall below the goal or has a deficiency, the City will seek to reduce expenditures prior to increasing revenues to replenish fund balance within a reasonable timeframe.

The City will try to avoid using fund balances for recurring operational expenditures. To the extent that the unassigned fund balance exceeds the minimum target, the City may draw upon the fund balance to provide cash financing for capital projects or other one-time purchases. Should economic projections and prudent measures warrant, City Council may also approve the systematic reduction of any excess fund balance as a tactic to prevent a tax increase.

When multiple categories of fund balance are available for expenditure (for example, a construction project is being funded partly by a grant, funds set aside by the City Council, and unassigned fund balance), the City will start with the most restricted category - spending those funds first - before moving down to the next category with available funds.

Debt Management Policies

City Council approved a comprehensive Debt Management Policy on September 2, 2014. The City will maintain debt management practices that will provide for the protection of bond ratings; the maintenance of adequate debt service reserves; compliance with debt covenant provisions; and appropriate disclosure to investors, underwriters and rating agencies.

The term of any City debt issue, including lease-purchases, shall not exceed the useful life of the assets being acquired by the debt issue.

All debt issuance shall comply with Federal, State and City charter requirements and adhere to Federal arbitrage regulations.

Capital Projects

Capital projects shall be submitted to the City Council for approval and shall include the following items:

- > A summary of the proposed programs;
- A list of all capital improvements which are proposed to be undertaken during the ensuing five fiscal years, with appropriate supporting information of the necessity for such improvements;
- > The cost estimates, method of financing, and recommended time schedules for each such improvement; and
- The estimated annual cost of operating and maintaining the facilities to be constructed or acquired.

The City will develop a multi-year capital projects plan and update it annually. The City will estimate the costs and potential funding sources for each capital project included in the plan.

The City shall utilize the most beneficial method of financing capital projects from the following sources: cash, bonds, short-term notes, joint financing with other governmental entities, special assessments, and federal and state grant programs.

The City will carry out the capital improvements plan and fund the capital project budgets in accordance with the capital projects plan.

The City will include the cost of operations of the capital project in the operating budget during the year of completion. Future operating costs associated with the new capital projects will be projected and included in the operating forecasts.

Long-term Financial Plan

The City Council establishes long-term priorities through various meetings, including the strategic planning session. These priorities are then incorporated into current and future budgets through departmental goals and objectives.

The City shall establish and maintain a long-term financial plan that projects future revenues, expenditures, fund balances, and cash flow needs. The plan is reviewed on an annual basis and adjusted, if necessary, to meet the needs of the City. Because of the inherent inaccuracy of forecasting revenues and expenditures for many years, the long-term financial plan is not published. It is, instead, an internal document that is used in preparing the annual budget.

A general discussion on the expectation of major General Fund revenues for the next three to five years is included on pages 61 through 67. Expenditure trends should continue into future years.

City of Webster Strategic Plan

The City of Webster updated and adopted its Comprehensive Plan in 2014. This plan establishes a vision for the City and provides policy guidance and direction for future growth and development. The Comprehensive Plan is a fluid plan, as it reflects and guides a dynamic, evolving municipality that is continuously changing. It is intended to be reviewed internally at periodic intervals to achieve viability, and accuracy. The City Charter mandates that the Plan be updated, at a minimum, every five years to ensure that it reflects the vision and direction of the municipality. A Citizen's Advisory Committee comprised of council members, residents, and business representatives articulated six strategic vision statements for the City.

Vision Statements

- Webster is a vibrant, business-friendly hub that capitalizes on its central location, key industry sectors, and proximity to regional assets.
- Webster strives to provide a welcoming environment for its constituents and visitors through beautification initiatives, economic development, and public safety.
- Webster is committed to ensure that the municipality is safe, vibrant, and attractive.
- Webster upholds education as vitally important for its constituents.
- Webster promotes mobility, pedestrian-friendly, safe, and efficient corridors.
- Webster supports efforts to develop and maintain a vibrant, attractive, and marketable community.

City Goals and Strategies

The City Council has established a set of broad goals and strategies to accomplish the vision for the City. Some of these require extensive capital, time, and due diligence while others are readily attainable. The City Council goals and strategies provide context for decisions within the annual budget. The goals are divided into five essential categories: land use (LU), transportation (TR), community enhancement (CE), public safety (PS), and organizational strength (OS).

The strategic plan requires implementation for it to transcend from text into reality. The timeframe contained in the plan indicates the years during which action will be taken. Incremental steps will be incorporated into the annual budgets of each division over time to ensure the City goal is accomplished.

An essential part of the budgeting process is the annual strategic planning session. Held in March, the strategic planning session is a joint meeting between City Council and City staff to discuss the direction and future of the City. During this meeting the organization-wide financial and programmatic policies and goals for the City are reaffirmed by City Council. Some items have high priority and are short-term in nature; these items have been incorporated into the annual budget. Due to time, fiscal, or political constraints, other items of lower priority are considered to be long-term goals. These items will be included in future budgets as warranted.

	City Goals and Strategies	0-2 Years	2-4 Years	5+ Years	
	Goal LU1: Redevelop NASA Parkway and ensure that the City of Webster establishes a mixed-use pedestrian-friendly corridor				
1	Evaluate other similar mixed-use projects throughout the region to facilitate the completion of the NASA Parkway Revitalization Plan	Х			
2	Create a strategy for redeveloping underutilized, antiquated or substandard properties within the City	Х			
3	Consider the creation of an indoor/outdoor theatre within the NASA Parkway District for live performances that complement other projects		Х	х	
	Goal LU2: Encourage the redevelopment and rehabilitation of older proper within the City	rties			
1	Research jurisdictional programs that encourage the rehabilitation and redevelopment of older properties	Х			
2	Work with property owners, potential buyers, and developers for redevelopment opportunities within the City	Х	Х	Х	
	Goal LU3: Resolve non-conforming properties and non-conforming uses with City when appropriate	thin th	e		
1	Continue to monitor non-conforming properties and uses within the City and enforce non-conforming regulations	Х	Х	Х	
2	Ensure that non-conformities are eliminated when a property is further developed or expanded	Х	Х	Х	
	Goal LU4: Ensure that large parcels within the City are developed in a way maximize development opportunities	to			
1	Ensure that larger tracts of land utilize shared detention ponds and other shared infrastructure	Х	Х	Х	
2	Promote the utilization of planned developments to ensure that large, undeveloped tracks maximize their development potential and provide for shared amenities and other enhancements	Х	Х	Х	
	Goal LU5: Foster an increasing amount of single-family residences within the City				
1	Encourage the development of single family homes, townhomes, and patio homes on vacant residential areas within the City	Х	Х	х	
2	Facilitate the completion of the Edgewater Planned Development, which provides for a substantial increase of single-family residences	Х	Х		

	City Goals and Strategies	0-2 Years	2-4 Years	5+ Years
Goal LU6: Preserve the integrity of existing neighborhoods to ensure quality residential areas				
1	Protect existing and future residential development from encroaching or adjacent incompatible land uses	Х	Х	Х
2	Ensure that residential properties within the Webdale, Brad Court, and Green Acres subdivisions remain single-family residential	Х	Х	Х
Goal LU7: Provide a variety of recreation opportunities to meet the existing and future needs of Webster's residents				
1	Continue to develop both active and passive recreation areas and facilities for the municipality's neighborhoods	Х	Х	Х
2	Use utility easements for trails and pedestrian connections between parks and major nodes in the community such as schools, government offices, and neighborhoods	Х	х	Х
3	Continually update the parks plan on a timely basis to coordinate recreation opportunities		Х	
Goal LU8: Conserve and protect valued natural resources and ensure development is compatible with the natural environment				
1	Promote the use of floodplains, drainage swales, and wetlands as open space or amenities	Х	Х	Х
2	Promote the utilization of native Texas plant species to reduce the amount of water being utilized for landscaping	Х	х	
Goal TR1: Establish a hierarchy of thoroughfare classifications that facilitate safe and convenient flow of traffic throughout the community				
1	Acquire additional right-of-way, as needed, to facilitate turn lanes and acceleration/ deceleration lanes to provide increased traffic capacity and mobility at intersections	Х	Х	Х
2	Adopt access management regulations for arterial roadways pertaining to driveways, street connections, medians and median openings, auxiliary lanes, on-street parking, traffic signals, turn lanes, and pedestrian and bicycle facilities	х	Х	Х
3	Require traffic impact studies and mitigation actions for large scale development proposals	Х	Х	Х
4	Collaborate with TxDOT, H-GAC, and Harris County in achieving desired infrastructure improvements in conformance with the Thoroughfare Plan	Х	Х	Х

	City Goals and Strategies	0-2 Years	2-4 Years	5+ Years
	Goal TR2: Promote alternative modes of transportation and related faciliti including pedestrian and bicycle routes	es		
1	Fund and construct a comprehensive pedestrian and bicycle system to serve both recreational and alternative transportation needs	Х	Х	Х
2	Pursue Federal and State financial assistance grants for pedestrian and bicycle transportation projects	Х	Х	Х
3	Continue aggressive enforcement of speed limits and other traffic laws near schools, parks, and residential areas	Х	Х	Х
4	Prioritize sidewalk projects to promote connectivity	Х	Х	Х
	Goal TR3: Plan for the increasing demand for transportation facilities while preserving and enhancing the attractiveness of the environment			
1	Ensure that all transportation projects include landscaping of green spaces within the right-of-way and other aesthetic enhancements, consistent with traffic safety and design standards	Х	Х	Х
	Goal CE1: Enhance the visual and aesthetic character of the community thr establishment of programs, standards, and guidelines	ough t	he	
1	Develop and implement guidelines and standards to enhance the aesthetic appeal of the community	Х	х	Х
2	Create a program to organize and promote the maintenance and upkeep of neighborhoods and business districts	х	х	Х
3	Continue to cite and enforce code violations	Х	Χ	Χ
4	Enhance and maintain public infrastructure, such as streets, traffic signals, signage, sidewalks, and parks, especially in highly visible areas of the community	Х	Х	Х
	Goal CE2: Improve corridors and gateways into and throughout the common promote strong branding and first impression	unity to)	
1	Generate specific gateway and corridor plans for public improvements, such as traffic signals, landscaping, and entrance signage	Х	Х	Х
2	Design, fund, and construct appealing monument signage and install them at unmarked gateways	Х	Х	Х
3	Utilize plant materials that are proven performers in the region, install low maintenance, hardy, drought resistant and resilient plant materials in public rights-of-way	Х	Х	Х
4	Determine and pursue additional funding sources for enhancement projects and develop a timeline for submitting applications to necessary agencies	Х	X	Х

	City Goals and Strategies	0-2 Years	2-4 Years	5+ Years
	Goal CE3: Improve the visual environment in high priority areas of the City relocating or burying overhead power and utility lines where professible		and	
1	Identify and consider alternative solutions for overhead power lines. Partner with local utility providers to determine cost, timing, and feasibility of relocating overhead lines underground throughout the City or in targeted locations such as defined enhancement corridors and nodes. Incorporate costs to bury overhead power lines along enhancement corridors into the Capital Improvement Program and Annual Budget		Х	Х
2	Amend applicable ordinances, whenever possible, to require utility lines to be buried, or utility easements to be located at the rear of lots, or along the perimeter of new subdivisions	х	X	X
	Goal CE4: Revitalize antiquated commercial areas of the City			
1	Research funding opportunities for enhancing business corridors	Х	Х	Х
2	Consider the creation of a management district within Webster, which has the authority to levy an assessment apportioned for improvements within a focused area	Х	Х	
	Goal CE5: Create an attractive pedestrian friendly environment throughou of Webster to accommodate residents and visitors	t the Ci	ty	
1	Promote and fund the installation and use of decorative sidewalks, paved and raised crosswalks, pathways, and trails to create a variety of pedestrian-friendly environments, including trails within utility corridors	х	Х	Х
2	Identify multi-modal corridors to ensure public safety	Х	Х	Х
3	Research funding opportunities for community enhancement	х	Х	Х
	Goal CE6: Encourage community activities that promote Webster's brand.			
1	Create, publicize, and encourage participation in community activities and events	Х	Х	Х
2	Create positive partnerships among businesses, property owners, and the City to foster meaningful activities and initiatives	Х	Х	Х

	City Goals and Strategies	0-2 Years	2-4 Years	5+ Years
	Goal PS1: Prevent, control, and reduce crime			
1	Provide an appropriate level of law enforcement service	Х	Х	Х
2	Foster mutual aid agreements with other local, state, and federal law enforcement agencies	Х	Х	Х
3	Maintain an average response time of four minutes or less for priority 1 (life threatening) calls	х	Χ	Χ
4	Utilize innovative policing techniques for reducing crime within the community	X	Х	Х
5	Support neighborhood crime watch groups, citizens police academy programs, and other volunteer-based initiatives to reduce crime	Х	Х	Х
	Goal PS2: Maintain a high level of fire protection service			
1	Ensure that "first out" (engine/aerial/rescue) apparatus has four personnel assigned per unit, and ancillary and support units are adequately staffed	х	Х	Х
2	Plan for additional personnel and equipment as residential population exceeds 15,000 or commercial businesses exceed 3,000, and call volume exceeds 1,500 requests annually	Х	Х	Х
3	Review and modify the Fire Protection Plan to ensure best practices are achieved	Х	Х	Х
4	Monitor and analyze fire station location(s) to provide adequate service as growth occurs	Х	Х	Х
5	Provide an average response time of 4 minutes 59 seconds or less for priority 1 (life threatening) calls	Х	Х	Χ
6	Foster mutual aid agreements with other local, state, and federal law enforcement agencies	Х	Х	Х
7	Purchase vehicles and equipment as needed to meet demand or special conditions	Х	Х	Х
	Goal PS3: Achieve an effective emergency management plan			
1	Coordinate with multiple departments, volunteer, non-profit, state, local, and federal agencies, and surrounding jurisdictions to plan for emergencies	Х	Х	Х
2	Ensure that the City's plan is compliant with State and Federal guidelines	Х	Х	Х

	City Goals and Strategies	0-2 Years	2-4 Years	5+ Years
	Goal OS1: Maintain a strong, fiscally sustainable organization			
1	Ensure accountability, transparency, and integrity in all government operations	Х	Х	Х
2	Attract and retain qualified employees who will deliver exceptional service	Х	Х	Х
3	Provide quality services that are affordable to the community	Х	Х	Х

Budget Calendar - Flow Chart

The following chart summarizes the budget process and the various steps leading to the adoption of the Fiscal Year 2018-2019 Budget.

	Jan.	Feb.	Mar.	Apr.	May	June	July	Aug.	Sept.	Oct.	Nov.	Dec.
Strategic Planning:												
Review and update Capital Improvements Program as needed												
Revenue projections developed												
City Council planning session								,				
Budget orientation												
Budget Development:												
Budget staff prepares and sends budget materials to divisions												
Divisions prepare draft operating budgets												
Budget review sessions with City Manager												
Budget staff compiles Proposed Annual Budget												
Proposed Annual Budget filed with City Secretary and published												
City Council budget work sessions												
Finalize and Adopt:												
Budget staff finalizes Annual Budget												
Public hearing on Annual Budget												
City Council adopts the Annual Budget												
Public hearing on proposed tax rate if necessary												
City Council adopts a tax rate												
Annual Budget published												
Amend budget if necessary (after fiscal year has begun)												

Budget Development Process

Revenue Projections Developed (March)

The Finance division develops revenue projections for the upcoming fiscal year and establishes budgetary targets for each division.

Strategic Planning Session (April 7)

Staff meets with the Mayor and City Council for its annual strategic planning session to obtain general direction and guidance in preparing the budget. During this session, staff discusses various factors that may affect the ensuing budget cycle, such as economic climate, revenue outlook, community expectations and program requirements. Council addresses these concerns and identifies top priorities.

Budget Orientation (April 9)

The City Manager and Finance division hold a budget orientation meeting with City staff to discuss the economic condition of the City and its effects on the budget. An overview of the direction received from Council is presented, and the City Manager may give specific direction complying with organizational strategies. All documentation used in the budget development process is distributed.

Preliminary Tax Rolls Received (May 11)

Preliminary appraisal rolls are received from the Harris County Appraisal District showing taxable values of \$2,010,364,433 in 2018.

Budget Requests Submitted & Reviewed (May)

Staff meets with the Finance division to evaluate each division's budget requests. The deadline for division budgets to be submitted is May 31, 2018.

Budget Review Sessions with City Manager (June)

Staff meets with the Finance division and City Manager to evaluate progress on continuing priorities, discuss new programs to be included in the budget, and re-evaluate each division's budget requests for the upcoming fiscal year.

FY 2018-19 Proposed Budget is Filed with City Secretary (July 17)

City Manager's proposed, balanced budget is filed with the City Secretary and made available to the public as required by the City Charter. The proposed budget reflects total appropriations of \$40,405,500 (including interfund transfers) and a proposed total tax rate of \$0.33939 per \$100 of valuation based upon preliminary tax data.

Council Budget Work Sessions (July 31)

City Council holds a budget work session in order to discuss the proposed budget. Citizens are invited, but no public testimony is allowed at the work session meetings.

Certified and Uncertified Tax Rolls Received (August 24)

Certified and uncertified appraisal rolls are received from the Harris County Appraisal District. The 2018 total taxable value is determined to be \$2,108,310,956. The Finance division performs the effective and rollback tax rate calculations as required by State law. The effective tax rate is calculated to be \$0.32488 per \$100 valuation with a rollback rate of \$0.39106 per \$100 valuation.

Public Hearing Held on Proposed Budget (September 18)

Following the publication of required newspaper notices, a public hearing is held at a regularly scheduled City Council meeting to solicit citizen responses to the proposed budget.

Council Adopts the FY 2018-2019 Annual Budget (September 18)

Council approves an ordinance adopting the budget for the fiscal year beginning on October 1, 2018 with total appropriations of \$40,460,500.

Public Hearing Held on Proposed Tax Rate (September 18, September 25)

Following the publication of required newspaper notices, public hearings are held at a scheduled City Council meeting to solicit citizen responses to the proposed tax rate.

Council Adopts a Tax Rate (October 2)

Following the publication of required notices regarding the effective and rollback tax rates, Council approves two separate ordinances adopting an O&M tax rate of \$0.22800 per \$100 valuation and a debt service tax rate of \$0.11994 per \$100 valuation.

FY 2018-19 Annual Budget is Published (November)

The Finance division prepares the final budget document. The document is printed and distributed to readers. The budget is also submitted to the Government Finance Officers Association to determine its eligibility for the Distinguished Budget Presentation Award.

Budget is Amended if Necessary (After fiscal year has begun)

Staff presents budget amendment requests to Council at a regularly scheduled City Council meeting. Budget amendments are adopted by ordinance.

Supplemental Appropriations: If, during the fiscal year, the city manager certifies that there are available for appropriation revenues in excess of those estimated in the budget, the council may make supplemental appropriations for the year up to the amount of such excess.

Emergency Appropriations: To meet a public emergency created by a natural disaster or man-made calamity affecting life, health, property, or the public peace, the council may make emergency appropriations, not to exceed ten (10) percent of the current fiscal year's budgeted receipts. Such appropriations may be made by emergency ordinance in accordance with the provisions of the charter. To the extent that there are no available unappropriated revenues to meet such appropriations, the council may, by such emergency ordinance, authorize the issuance of emergency notes.

Transfer of Appropriations: At any time during the fiscal year the city manager may transfer part or all of any unencumbered appropriation balance among programs within a department, division, or office and, upon written request by the city manager, the council may by ordinance transfer part or all of any unencumbered appropriation balance from one department, office or agency to another.

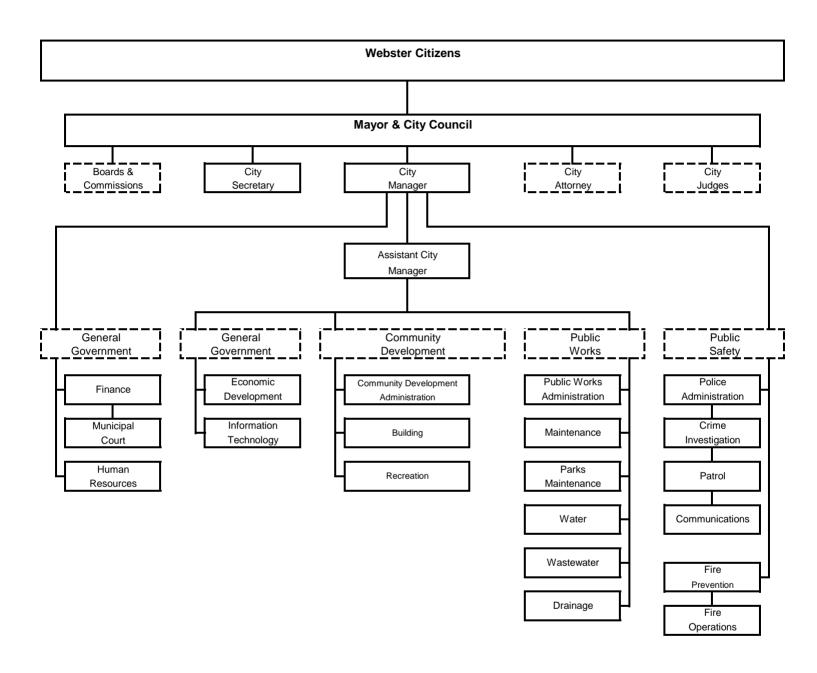

Fund Structure / Overview

Total Budget - All Funds	\$ 40,460,500
— Governmental Funds	
— General Fund	\$ 23,483,970
— Debt Service Funds	
General Debt Service Fund	\$ 2,794,240

% Change from Prior Year	2.2%		2.1%		20.7%		-1.4%		-9.8%		0.0%		12.9%

¹ Excludes Use of Prior Years' Fund Balance

² Sales tax revenues increased by 12% compared to FY 2016-17.

³ The first interest payment was made for Certificates of Obligation, Series 2018A (issued on 4/3/18).

⁴ The restricted nature of these funds generally cause revenue to significantly exceed expenditures.

⁵ The large swings in fund balance result from the timing of when funds are received and spent.

⁶ An increase in reserves is planned for future projects.

⁷ Water & Sewer Revenue Bonds, Series 2008 were redeemed with cash.

⁸ The decrease in fund balance reflects the use of reserves to fund capital infrastructure.

⁹ The percentage change is due to the low level of reserves carried in this fund.

¹ Presented are the budgets as originally adopted by City Council for each fiscal year. Capital projects funds are excluded from presentation because they are not part of the annual appropriations process. Appropriations for capital projects are made on a project basis and carry over until the project is completed.

Notes:

Transfers from Other Funds do not match Transfers to Other Funds due to transfers from/to the unappropriated funds detailed below:

FY 2018 - 2019 includes:

\$125,000 transfer from General Fund to General Projects Fund \$200,000 transfer from Information Technology Fund to IT Projects Fund

FY 2017 - 2018 includes:

\$500,000 transfer from General Fund to General Projects Fund \$188,690 transfer from Utility Fund to Water / Sewer Construction Fund \$736,500 transfer from Utility Fund to Debt Service Reserve Fund \$215,000 transfer from Information Technology Fund to IT Projects Fund

FY 2016 - 2017 includes:

\$500,000 transfer from General Fund to General Projects Fund \$268,650 transfer from Utility Fund to Water / Sewer Construction Fund

FY 2015 - 2016 includes:

\$380,000 transfer from General Fund to Parks & Landscaping Construction Fund

¹ Capital projects funds are excluded from presentation because they are not part of the annual appropriations process. Appropriations for capital projects are made on a project basis and carry over until the project is completed.

² Resources exclude the use of prior years' fund balance.

³ An adjustment is made to fund balance, if necessary, during the conversion from a budget basis to an accrual basis (GAAP).

General Fund Overview

The General Fund is used to account for all current financial resources not required by law or administrative action to be accounted for in another fund. The primary public functions occur within this fund.

Revenue funding for operations is provided by property taxes, sales tax, franchise fee assessments, permit fees, fines and forfeitures, charges for services, miscellaneous revenues, and transfers.

Municipal Court

Fire Prevention

Fire Operations

Human Resources

Economic Development

The organizational structure of this fund follows that of the function performed by divisions.

General Fund Revenues

Property Taxes: 2017-18 Budget: \$4,594,000 2018-19 Budget: \$4,874,000

The Harris County Appraisal District (HCAD) establishes the value of property for taxation purposes. Taxable values are set at 100% of the assessed market value after exemptions. Market value means the price at which property would sell between a willing buyer and a willing seller in the open market. The City sets a tax rate on the basis of cents per \$100 of valuation. For FY 2018-19 (2018 Tax Year), the City adopted a total tax rate of \$0.34794. City taxes levied for FY 2018-19 on property valued at $$100,000$ would be <math>347.94 ($100,000 \div 100 \times $0.34794 = $347.94)$ as compared to \$317.25 for FY 2017-18.

The tax rate is comprised of two components. The operations and maintenance (O & M) rate provides funds to operate and maintain the general government functions. The debt rate pays the debt obligations of the City as found in the General Debt Service Fund. A comparison of the tax rates for FY 2017-18 and FY 2018-19 is shown below.

FY 2017-18 (2017 Tax Year)	1 1 2010-19 (2	2018 Tax Year)
0.09176 Debt tax rate	0.11994	O & M tax rate Debt tax rate Total tax rate

The 2018 total assessed taxable value is \$2,108,310,956, an increase of \$61,055,815 from the 2017 adjusted taxable value of \$2,047,255,141. By multiplying the tax rates by the taxable value, the 2018 tax levy can be calculated:

\$4,806,949	Collected for operations & maintenance
2,528,708	Collected for debt service
\$7,335,657	Total amount of tax to be levied

Commercial properties comprise approximately 76% of the City's assessed values. Residential properties make up 22%. Industrial properties are only 2% of the City's property tax base.

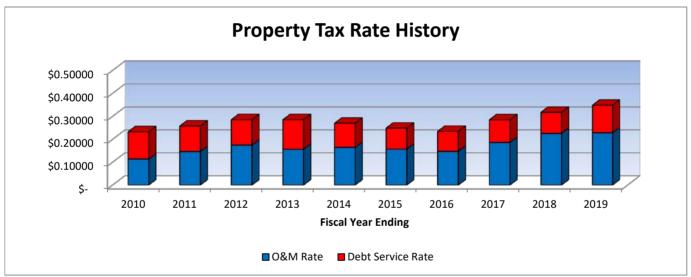

Property tax revenues are expected to remain relatively stable of the next three to five years. The City is land-locked with a limited amount of vacant land available for development. Annual growth in taxable value of 3% - 6% is anticipated with most of that derived from new construction. The tax levy is dependent upon changes in sales tax revenue each year.

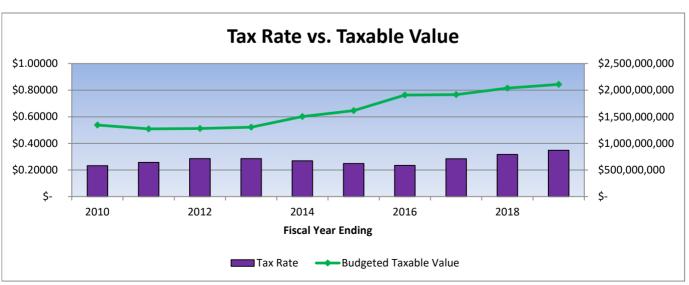

All taxable property in the City of Webster is subject to the assessment, levy and collection by the City of an annual ad valorem tax levied, within the limits prescribed by law, sufficient to provide for the payment of principal and interest on debt issued by the government. Article XII, Section 5, of the Texas Constitution is applicable to the City, and limits its maximum ad valorem tax rate to \$2.50 per \$100 of assessed valuation for all City purposes. The City operates under a Home-Rule Charter, which adopts the constitutional provisions. Administratively, the Attorney General of the State of Texas will only permit the allocation of \$1.50 of the \$2.50 maximum rate for all general obligation debt service, as calculated at the time of issuance. The City's total tax rate of \$0.34794 and debt rate of \$0.11994 are well below the maximum rates allowed by law.

Sales Tax: 2017-18 Budget: \$12,302,760 2018-19 Budget: \$13,820,250

The tax charged on all taxable sales within the city limits of Webster is 8.25%. That rate is comprised of three components: State, City, and the Webster Economic Development Corporation (WEDC). The State of Texas sales tax rate is 6.25%. The City of Webster sales tax rate has been 1.5% since 1993 when voters approved a 0.5% sales tax increase to reduce property taxes. In 1999, voters approved an additional 0.5% tax for WEDC to fund economic development activities.

The largest revenue source for the City, sales tax accounts for approximately 58% of General Fund revenues and 40% of total City revenues from all sources. This is due to the large presence of commercial, restaurants, and retail entities in the City. Webster is the home of several major medical facilities and eighteen hotels. Another contributing factor is the City's location along Interstate Highway 45 and major thoroughfares such as NASA Parkway, Medical Center Boulevard and Bay Area Boulevard.

For several years prior to the Great Recession, the City experienced sales tax revenue growth in excess of 10%. Growth slowed considerably in 2008 to 2.3% and remained essentially flat in 2009. Due to the closing of three major retailers, the City experienced a decline of 9.6% during 2010. Sales tax revenues quickly stabilized in 2011 from the addition of several retailers and restaurants which helped offset revenue losses. Since 2011, sales tax revenue has been growing at an average annualized rate of about 3.7%.

When the budget for FY 2017-18 was prepared, a near-term decline in sales tax was beginning to bottom indicating a strengthening economy so the budget was left flat. But the local economy far exceeded expectations especially after Hurricane Harvey devastated the area. Sales tax revenue has experienced an extraordinary rebound. The FY 2018-19 budget incorporates modest growth (approx. 3%) of the existing sales tax base plus additional revenue from two major retailers entering the market – Costco Wholesale and Exclusive Furniture.

Sales tax revenue comprises the majority of City resources. Substantial volatility exists with this revenue stream due to economic swings, store openings, and store closures. Over the next three years, revenue is expected to increase considerably. Revenues should receive significant bump in FY 2019-20 with the opening of American Furniture Warehouse. Afterwards, sales tax revenues will probably return to a typical growth rate of about 2% - 3% per year. No major store closures are expected in the near term.

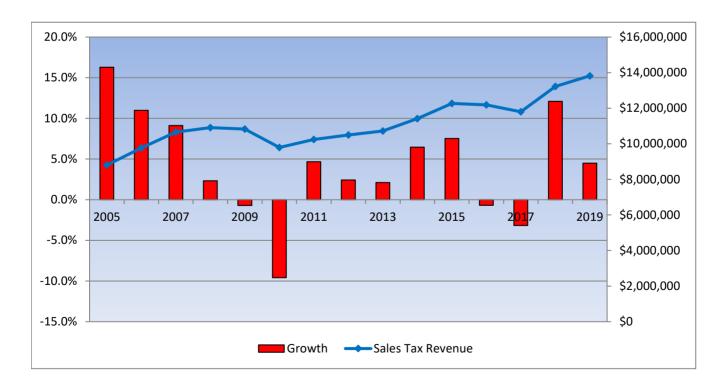

General Fund Historical Sales Tax Trend

Notes:

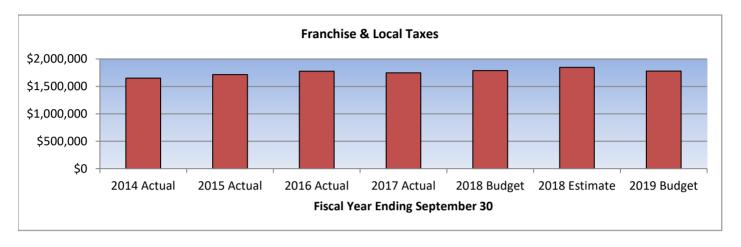

¹ Amounts shown reflect actual sales tax revenue collected in each fiscal year with the exception of 2018 and 2019 which reports estimated and budgeted amounts, respectively.

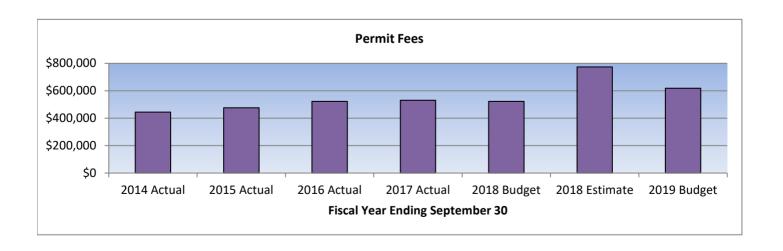

Franchise & Local Taxes: 2017-18 Budget: \$1,787,550 2018-19 Budget: \$1,778,700

The City of Webster maintains non-exclusive franchise agreements with utility providers (electric, gas, phone and cable), which use the City's right-of-ways to provide their services. The utilities compensate the City for this privileged use through franchise taxes passed on to the users. Their fees are generally based upon a percentage of their gross receipts generated by customers within the City limits. Mixed beverage tax receipts are also recorded in this category and are among the highest in Harris County. Overall franchise revenue has been growing at a 2% - 4% annualized rate.

Permit Fees: 2017-18 Budget: \$522,300 2018-19 Budget: \$618,030

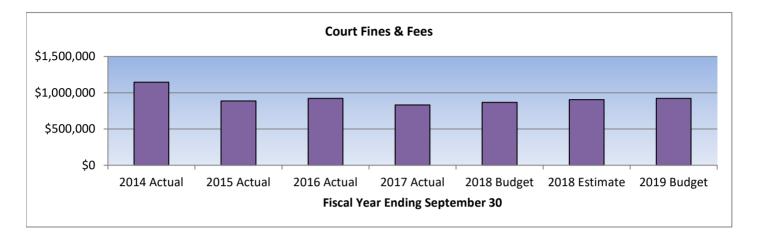

Permit fees are fees charged for plan reviews to ensure compliance with building codes and the actual inspection to verify compliance. Permit fee revenues have been growing at an annualized rate of 11% over the past five years due to ongoing residential and commercial construction. The large spike in 2018 is attributed to development of the City's west side.

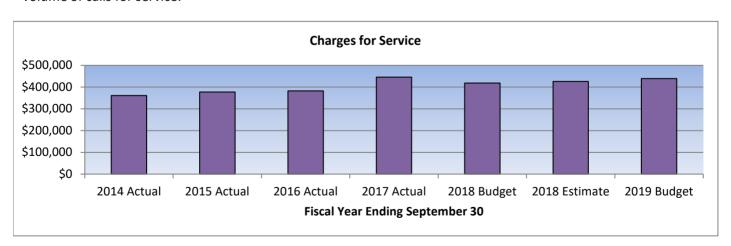

Court Fines & Fees: 2017-18 Budget: \$866,810 2018-19 Budget: \$921,430

Municipal court fines and fees are levied primarily for violations of local ordinances and traffic offenses. This revenue has been declining at an annualized rate of about 10% over the past five years, but it is expected to stabilize over the next few years.

Charges for Service: 2017-18 Budget: \$418,840 2018-19 Budget: \$439,210

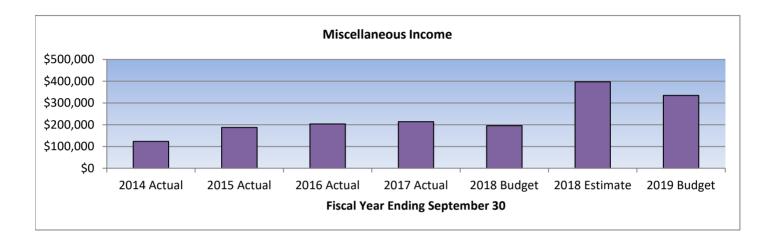

The main revenue in this category is the charge assessed for providing dispatching services to other jurisdictions which are made under inter-local agreements. The City will receive about \$368,460 for these services in FY 2018-19. Other revenues that fall into this category include charges for recreation programs, Civic Center rental fees, Recreation Hall rental fees, and park pavillion rental fees for which \$70,750 has been budgeted. This revenue class has grown steadily at a 5% annualized rate largely due to the increase in volume of calls for service.

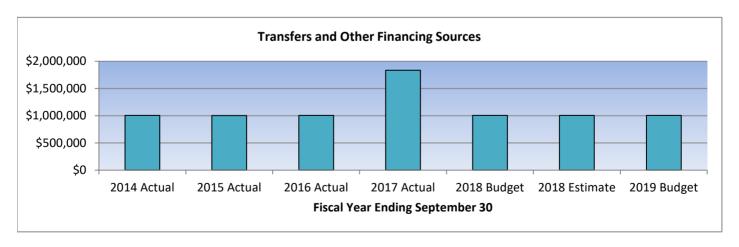

Miscellaneous Income: 2017-18 Budget: \$195,640 2018-19 Budget: \$334,650

Miscellaneous income includes revenues that could not be classified elsewhere. The principal revenue in this category is the interest that the City earns on its investments. Fixed income security interest rates are about two percent. \$186,370 is budgeted for interest income in FY 2018-19. False alarm fees of \$32,080 are also recorded in this category.

Other Financing Sources: 2017-18 Budget: \$1,050,780 2018-19 Budget: \$1,006,400

The largest revenue in this category is the transfer to the City by the Webster Economic Development Corporation in accordance with an administrative services contract. City staff performs all functions of the WEDC, including economic development activities, accounting services, cash and investment activities, and project management. This revenue category also includes various interfund transfers and planned use of prior years' fund balance. The sharp spike in 2017 was a one-time inflow due to the liquidation of the TIRZ Fund.

City Council

DIVISION DESCRIPTION

The mission of the City Council division is to maintain Webster as a "Quality of Life City" through continued excellence in representation and commitment to its citizens. The City Council is the legislative body which sets policy and priorities for the City. It consists of a Mayor and six Council members. The Mayor and City Council are elected at large by the citizens for three year, staggered terms with a two consecutive term limit. City Council passes, amends, and repeals all ordinances, policies, rules, and regulations not contrary to the Constitution for the good of government, peace, and order of the City as may be necessary.

DIVISION GOALS AND ACTION ITEMS FOR FY 2018-2019

OS1: Maintain a strong, fiscally sustainable organization

Goal: Provide beneficial municipal services with accountable management practices **Action Item:** Prioritize goals and programs for the City that are fiscally responsible

Goal: Protect the safety, health, and welfare of citizens and employees

Action Item: Continue proactive programs for seniors and youth of the community

Goal: Identify and promote the long-term objectives for the City

Action Item: Direct long-term planning for budgeting and capital improvement projects

- > Salary and wages rise to provide a cellphone allowance for members of city council
- Office and postage costs increase to acquire computer tablets for council members
- > Appropriations for city council contingencies expand due to the addition of various school programs

City Secretary

DIVISION DESCRIPTION

The mission of the City Secretary division is to execute City Council policies, programs, and directives; ensure the accuracy and integrity of all City records; and respond promptly to citizen inquiries and requests. A statutory position required by State law and City Charter, the activities of the division include the development of all City Council and Webster Economic Development Corporation agendas and acting as Chief Administrator of municipal elections. The division is also responsible for legal notifications, public information, issuing various licenses and permits, and all receptionist duties.

DIVISION GOALS AND ACTION ITEMS FOR FY 2018-2019

OS1: Maintain a strong, fiscally sustainable organization

Goal: Expand marketing efforts to keep the community informed

Action Item: Increase the City's presence on social media and efficiently manage posts to maintain their relevance

Goal: Update the records management software to increase functionality **Action Item:** Upgrade software and train its users on Laserfiche Avante

Goal: Ensure compliance with all Federal and State laws **Action Item:** Implement changes as a result of new legislation

- > Appropriations for wages, taxes, and retirement increase to account for growth in salaries
- > Group insurance expenditures rise with a change to the coverage selected by employees
- > Expenditures for office furnishings fall after replacing several conference room chairs during FY 17-18
- Service contract costs increase to purchase and maintain social media software
- Election costs grow due to the charter amendment election scheduled in November 2018

City Manager

DIVISION DESCRIPTION

It is the mission of the City Manager division to effectively execute City Council policies, programs, and directives and to conduct city operations in a practical and efficient manner. The Mayor and City Council appoint the City Manager. The City Manager is accountable to the City Council and responsible for the administration of all city affairs as charged by the City Charter. The City Manager also acts as Executive Director of the Webster Economic Development Corporation.

DIVISION GOALS AND ACTION ITEMS FOR FY 2018-2019

OS1: Maintain a strong, fiscally sustainable organization

Goal: Facilitate the successful openings of Costco, American Furniture Warehouse, and other retail and entertainment venues **Action Item:** Guide staff to expedite efforts to process submittals on a priority basis

Goal: Monitor progress on the City's Mission Operations Control Room restoration project to ensure successful completion **Action Item:** Review all display submittals, media coverage, and pay requests for accuracy and benefit to the City of Webster

Goal: Adjust staffing levels to address the high levels of service required by additional economic development **Action Item:** Review public safety and city operational needs and add staff commensurate with service demands

Goal: Present a fiscally sustainable annual budget for adoption

Action Item: Prepare an annual budget that controls expenditures and allocates revenue as directed by city council

Goal: Mentor and develop the Assistant City Manager in preparation of assuming all city management duties **Action Item:** Allocate appropriate funding for educational opportunities and assign tasks as necessary

- > One Assistant City Manager position was added during FY 17-18 to train a successor for the City Manager position
- > One Administrative Assistant position is added to provide administrative support for the division
- > Transfers for equipment replacement rise to reflect a supplemental request for an additional vehicle for city staff

Finance

DIVISION DESCRIPTION

The Finance division is responsible for providing fiscal control and guidance for all financial transactions of the City while complying with all applicable local, state, and federal regulations. This division accounts for all assets of the City through the following functions: purchasing, accounts payable, accounts receivable, payroll, utility billings, cash collections, and the capital asset records program. Development of the City's annual financial reports and annual budget are also primary responsibilities of this division.

DIVISION GOALS AND ACTION ITEMS FOR FY 2018-2019

OS1: Maintain a strong, fiscally sustainable organization

Goal: Provide accurate and timely financial reporting and budgeting

Action Item: Receive GFOA excellence in financial reporting certificate and distinguished budget presentation awards

Goal: Develop enhanced and efficient processes for finance functions

Action Item: Continue cross-training staff on the various duties within the department

Goal: Ensure financial stability, accountability, and transparency of all City funds

Action Item: Consider participating in the Texas Comptroller of Public Accounts Transparency Stars program

- > Appropriations for wages, taxes, and retirement increase to account for growth in salaries
- Financial costs expand to pay fees for banking and armored car services
- > Tax appraisal charges climb with an increase to the rate charged for the service
- Information technology expenditures grow to acquire several new computers and a copier

Municipal Court

DIVISION DESCRIPTION

The primary function of the Municipal Court division is to process all Class 'C' criminal charges filed by the Police Department, Fire Marshal, and Code Enforcement Officers. These include charges filed under the Texas Transportation Code, Penal Code, Alcoholic Beverage Code, Health and Safety Code, Education Code, and Webster Code of Ordinances.

DIVISION GOALS AND ACTION ITEMS FOR FY 2018-2019

OS1: Maintain a strong, fiscally sustainable organization

Goal: Maintain standards to uphold laws and provide fair and impartial representation to all defendants **Action Item:** Provide professional, courteous, and respectful customer service to those who interact with court personnel

Goal: Emphasize training and promote certifications

Action Item: Support and assist staff in pursuit of the next level of certification in the Texas Court Clerks Certification Program

Goal: Increase efficiencies within the records processing and documentation activities **Action Item:** Research ways to increase the number of warrants that are cleared

- Appropriations for wages, taxes, and retirement increase to account for growth in salaries
- Office and postage expenditures fall to historical spending levels
- Court costs decline with procedural modifications that make court operations more efficient
- Information technology expenditures grow to acquire several new computers

Human Resources

DIVISION DESCRIPTION

The mission of the Human Resources division is to provide support to the City's operating departments through the efficient and effective administration of the human resources program. The division supports a comprehensive range of personnel needs, many driven by evolving state and federal legislation. Human Resources develops and interprets policy; acts as an internal consultant on personnel issues; resolves employee concerns, grievances, and appeals; administers employee benefits; provides training and development; and maintains equitable and competitive compensation practices.

DIVISION GOALS AND ACTION ITEMS FOR FY 2018-2019

OS1: Maintain a strong, fiscally sustainable organization

Goal: Continue to represent the City of Webster in a positive manner

Action Item: Provide professional, timely, courteous, and exceptional customer service to employees and others

Goal: Maintain a quality health insurance plan for employees

Action Item: Research, review, and implement a health care plan that is in compliance with current law

Goal: Attract, retain, and reward qualified employees who deliver exceptional customer service

Action Item: Review and update the compensation strategy to ensure that it is viable and fiscally sustainable

- Appropriations for wages, taxes, and retirement increase to account for growth in salaries
- Certificate and awards expenditures fall and employee program costs rise with the reclassification of certain charges
- Appropriations for professional services grow to conduct a compensation study
- Information technology expenditures grow to acquire several new computers and a copier

Economic Development

DIVISION DESCRIPTION

The mission of the Economic Development division is to grow the City of Webster's commercial tax base to cultivate a vibrant community. This division is responsible for business recruitment, retention, and expansion initiatives, as well as marketing and promoting the City through various programs. The Economic Development division performs the role of webmaster and transportation liaison for the entire municipality.

DIVISION GOALS AND ACTION ITEMS FOR FY 2018-2019

LU4: Ensure that large parcels within the City are developed in a way to maximize development opportunities

Goal: Foster new commercial development within Project Genesis, in conjunction with new infrastructure systems **Action Item:** Conduct business recruitment for the project area

Goal: Cultivate economic development within the Destination Development Project, in conjunction with new infrastructure systems **Action Item:** Recruit retail, dining, entertainment, and hotel venues for the project area

OS1: Maintain a strong, fiscally sustainable organization

Goal: Expand Webster's position as the medical, aerospace, retail, dining, entertainment, and tourism capital of the region **Action Item:** Conduct business recruitment, retention, and expansion activities for targeted sectors, including office/business parks

- > Appropriations for wages, taxes, and retirement increase to account for growth in salaries
- Group insurance expenditures rise with a change to the coverage selected by employees
- Publication costs grow to reflect a quarterly publication of the City magazine, Gateway
- Information technology expenditures rise to reflect changes to the cost allocation schedule

Community Development Function

DIVISIONS

MISSION

Community Development - Administration Community Development - Building Community Development - Recreation The mission of the Community Development Department is to provide an excellent level of service to all citizens and patrons of the City of Webster by sustaining orderly development of property, ensuring compliance with all codes and ordinances, and maintaining beneficial recreational programs.

SIGNIFICANT COMMUNITY DEVELOPMENT ACHIEVEMENTS DURING FY 2017-2018

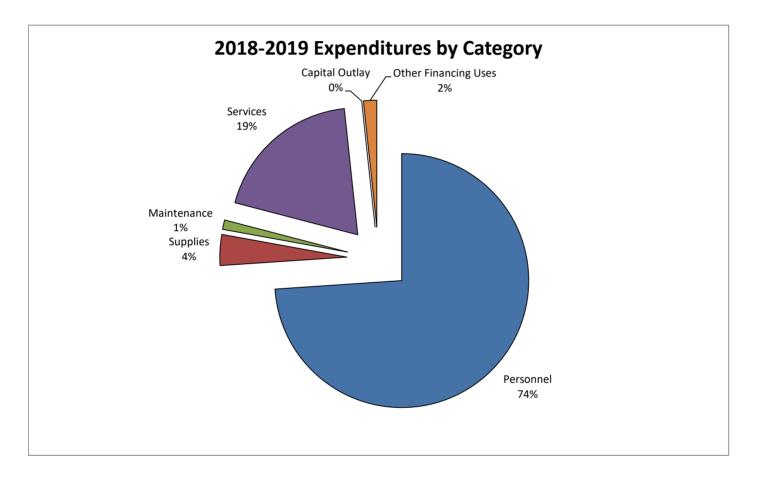

- Proposed to City Council the implementation of the NASA Parkway Revitalization Plan Phase 2
- Updated the mobile apps for the geographic information system that are used by city personnel
- Purchased and applied current versions of state and national building codes
- Acquired a new 25-passenger bus to better serve senior and summer camp events
- Increased attendance at summer camp due to the use of social media and flyers

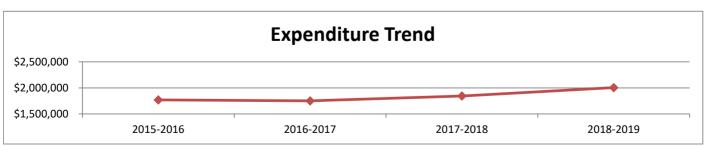

City Council Goals That Are Addressed In The FY 2018-2019 Annual Budget LU2 - Encourage the redevelopment and rehabilitation of older properties within the city LU7 - Provide a variety of recreation opportunities to meet the existing and future needs of Webster's residents TR2: Promote alternative modes of transportation and related facilities including pedestrian and bicycle routes CE1 - Enhance the visual and aesthetic character of the community through the establishment of programs, standards, and guidelines OS1 - Maintain a strong, fiscally sustainable organization

Community Development - Administration

DIVISION DESCRIPTION

The duties of the Community Development – Administration division include implementation of comprehensive land use planning, administration of geographic information systems, and scheduling the use of City facilities and parks.

DIVISION GOALS AND ACTION ITEMS FOR FY 2018-2019

LU2: Encourage the redevelopment and rehabilitation of older properties within the city

Goal: Maximize development opportunities for all large parcels within the city limits **Action Item:** Utilize shared detention ponds and other shared infrastructure for larger tracts of land

TR2: Promote alternative modes of transportation and related facilities including pedestrian and bicycle routes

Goal: Pursue Federal and State financial assistance grants for pedestrian and bicycle transportation projects **Action Item:** Prepare a comprehensive list of funding sources and applicable grant applications for the East-West Shared Use Path

OS1: Maintain a strong, fiscally sustainable organization

Goal: Support the objectives of all city departments through the provision of GIS spatial data products **Action Item:** Update the geographic information system with the latest technology, including new software and servers

- > Appropriations for wages, taxes, and retirement increase to account for growth in salaries
- Service contract expenditures rise due to higher software license fees
- Information technology expenditures rise to reflect changes to the cost allocation schedule

Community Development - Building

DIVISION DESCRIPTION

The primary function of the Community Development – Building division is to maintain and protect the public health, safety, and welfare through active inspection and enforcement of building and health codes.

DIVISION GOALS AND ACTION ITEMS FOR FY 2018-2019

CE1: Enhance the visual and aesthetic character of the community through the establishment of programs, standards, and quidelines

Goal: Improve the effectiveness and timeliness of the code enforcement process

Action Item: Expand the duties of existing staff members to assist in the inspection and reporting of code violations

Goal: Improve the timeline for review of newly submitted plans in accordance with the latest building codes

Action Item: Obtain current versions of state and national codes on an annual basis

OS1: Maintain a strong, fiscally sustainable organization

Goal: Create permanent records by scanning building plans into an electronic database

Action Item: Set aside time each week to scan plans into the database

- Appropriations for wages, taxes, and retirement increase to account for growth in salaries
- Expenditures for office furnishings decline after several conference room chairs were purchased during FY 17-18
- > Small tools and equipment reflects a supplemental request to acquire two automated ticket writers for code enforcement
- > Information technology expenditures rise to reflect changes to the cost allocation schedule
- Transfers for equipment replacement expand due to a higher contribution level

Community Development - Recreation

DIVISION DESCRIPTION

The primary function of the Community Development – Recreation division is to provide recreational programs to citizens throughout the year.

DIVISION GOALS AND ACTION ITEMS FOR FY 2018-2019

LUT: Provide a variety of recreation opportunities to meet the existing and future needs of Webster's residents

Goal: Maintain year-round attendance for existing programs **Action Item:** Generate publicity promoting recreation programs

Goal: Provide a safe and healthy environment for recreation programs

Action Item: Monitor programs to ensure all safety standards are being followed and all equipment is properly maintained

Goal: Maintain existing activities for the seniors program

Action Item: Solicit feedback from participants on programs that are offered

- Appropriations for wages, taxes, and retirement increase to account for growth in salaries
- Recreation program expenditures reflect a supplemental request to add several community events
- Information technology expenditures rise to reflect changes to the cost allocation schedule

Public Works Function

DIVISIONS

Public Works - Administration
Public Works - Maintenance
Public Works - Parks Maintenance

MISSION

The mission of the Public Works Department is to protect the public health, welfare, safety, and the environment by maintaining streets, sidewalks, parks, vehicles, facilities, and animal control duties.

SIGNIFICANT PUBLIC WORKS ACHIEVEMENTS DURING FY 2017-2018

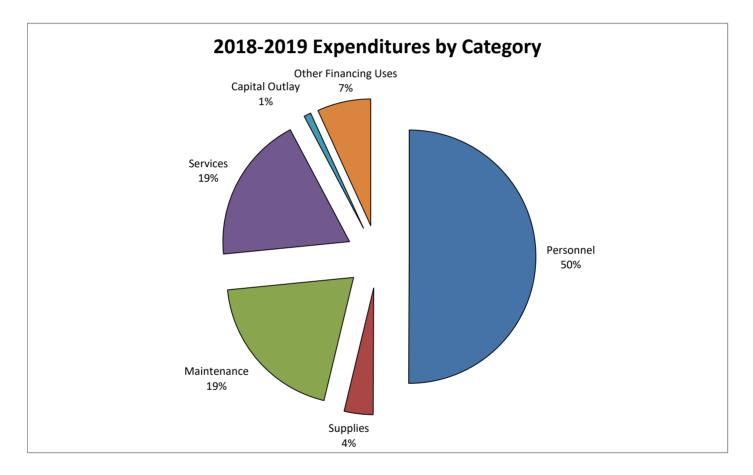

- > Demolished the aging Community House and prepared land for future use
- Constructed sidewalks along Magnolia Avenue and Walnut Street
- Installed a new outdoor sound system at Texas Avenue Park
- Completed the NASA Parkway beautification project by planting trees in the median
- > Constructed Genesis Boulevard and Jasmine Avenue to enhance development on the west side of the city

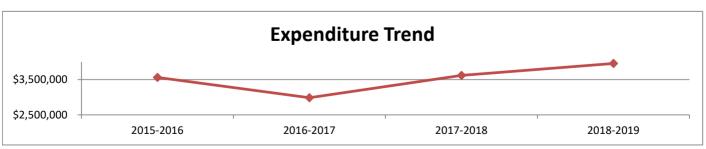

City Council Goals That Are Addressed In The FY 2018-2019 Annual Budget CE1 – Enhance the visual and aesthetic character of the community through the establishment of programs, standards, and guidelines CE2 – Improve corridors and gateways into and throughout the community to promote strong branding and first impression CE5 – Create an attractive pedestrian friendly environment throughout the City of Webster to accommodate residents and visitors CE6 – Encourage community activities that promote Webster's brand OS1 – Maintain a strong, fiscally sustainable organization

Public Works - Administration

DIVISION DESCRIPTION

The Public Works – Administration division performs all administrative functions for the Public Works divisions, including customer service, communications, personnel training, and recordkeeping. The Director of Public Works serves as the City Engineer and the Local Rabies Control Authority.

DIVISION GOALS AND ACTION ITEMS FOR FY 2018-2019

CE1: Enhance the visual and aesthetic character of the community through the establishment of programs, standards, and guidelines

Goal: Preserve or enhance the condition of streets and sidewalks

Action Item: Coordinate the periodic inspection of all City infrastructure and facilities

Goal: Ensure all construction codes, restrictions, and regulations are followed **Action Item:** Perform timely inspections of all municipal construction in the City

OS1: Maintain a strong, fiscally sustainable organization

Goal: Provide a safe work environment for Public Works personnel

Action Item: Ensure Public Works employees are provided with appropriate personal protection equipment and safety training

- One Project Manager position is added to assist in the coordination and direction of all city projects
- > Appropriations for office furnishings increase to replace the furniture in the office of the Assistant Director of Public Works
- > Small tools and equipment expenditures reflect a supplemental request for a radio and computer for the new position
- > Information technology expenditures rise to reflect changes to the cost allocation schedule
- > Transfers for equipment replacement rise to reflect a supplemental request for an additional vehicle for the new position

Public Works - Maintenance

DIVISION DESCRIPTION

The functions of the Public Works – Maintenance division include improving and maintaining streets, sidewalks, alleyways, easements, signage, buildings, vehicles, equipment, facilities, and providing animal control services.

DIVISION GOALS AND ACTION ITEMS FOR FY 2018-2019

CE1: Enhance the visual and aesthetic character of the community through the establishment of programs, standards, and guidelines

Goal: Preserve or enhance the condition of streets and street signs **Action Item:** Inspect and replace street striping and signage as required

CE5: Create an attractive pedestrian friendly environment throughout the City of Webster to accommodate residents and visitors

Goal: Maintain or improve pedestrian accessibility throughout the City **Action Item:** Repair, replace, and install sidewalks as identified by annual inspection

CE6: Encourage community activities that promote Webster's brand

Goal: Increase the number of pet registrations in the City

Action Item: Continue to grow Pet Health Safety Day events and community outreach

- Small tools and equipment expenditures reflect a supplemental request to acquire an automated ticket writer for animal control
- > Building maintenance appropriations include supplemental requests to remodel offices
- Expenditures for street maintenance rise to overlay the pavement at Professional Park
- > Transfers for capital projects includes the construction of sidewalks

Public Works - Parks Maintenance

DIVISION DESCRIPTION

The primary function of the Public Works – Parks Maintenance division is to provide safe and enjoyable recreational facilities. Park facilities include Texas Avenue Park, Walnut Park, Green Acres Park, baseball fields, splash pad, and a tennis court.

DIVISION GOALS AND ACTION ITEMS FOR FY 2018-2019

CE1: Enhance the visual and aesthetic character of the community through the establishment of programs, standards, and guidelines

Goal: Enhance the aesthetics and function of city parks where appropriate

Action Item: Replace all of the lights at Green Acres Park

Goal: Protect citizens who use city parks and rights-of-way

Action Item: Repair all park playground equipment identified on annual inspections

CE2: Improve corridors and gateways into and throughout the community to promote strong branding and first impression

Goal: Preserve and enhance City rights-of-way and facilities

Action Item: Utilize landscaping practices that minimize water demand and upkeep requirements

SIGNIFICANT CHANGES IN THE FY 2018-2019 BUDGET

- > Appropriations for holiday supplies increase to replace banners and Christmas decorations at the City Hall complex
- > Property maintenance expenditures rise to replace the lighting at Green Acres Park and a water pump at the splash pad
- Contract service costs grow due to the mowing of areas around city-owned monument signs and detention ponds
- > Transfers for equipment replacement expand due to a higher contribution level

Police – Administration Police – Crime Investigation

Police - Patrol

Police - Communications

Fire – Prevention

Fire - Operations

MISSION

The mission of the Webster Police Department is to provide a safe environment for those who reside, visit, and work in the community. The Police Department is committed to accomplishing this mission by adhering to its core values of honor, integrity, and service.

The Webster Fire Department is responsible for fire protection, prevention, emergency medical services, and emergency management within the City of Webster. The mission statement of the department is "Educate to Prevent Harm; Protect; and Be Kind and Helpful."

SIGNIFICANT PUBLIC SAFETY ACHIEVEMENTS DURING FY 2017-2018

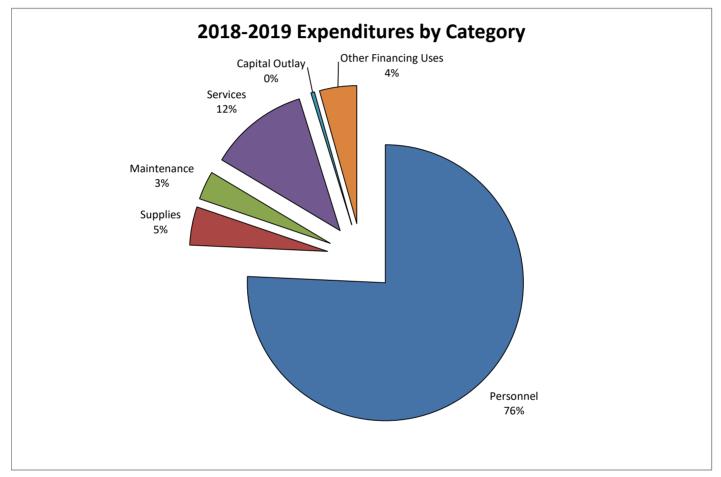

- Maintained all Texas Police Chiefs Association Recognition Program standards
- Transitioned to new administrative leadership with the appointment of a new Police Chief and Assistant Police Chief
- > Facilitated the adoption of a city ordinance restricting the locations where registered sex offenders may reside
- Completed active shooter training for all city employees and many local businesses
- Obtained a state grant for the procurement of rifle-resistant body armor for police officers
- Organized and hosted a regional K9 first-aid training conference
- Created a fully-functional emergency operations center at the fire station
- > Began enforcement of code violations related to parking in fire lanes and near fire hydrants
- Maintained Best Practice standards for fire protection
- > Completed the classroom portion of paramedic training for all personnel

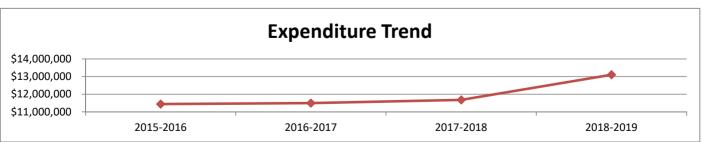

City Council Goals That Are Addressed In The FY 2018-2019 Annual Budget	Police - Administration	Police – Crime Investigation	PD - Patrol	PD - Communications	Fire – Prevention	Fire- Operations
CE6 – Encourage community activities that promote Webster's brand				~		
PS1 – Prevent, control, and reduce crime	~	~	~	~		
PS2 – Maintain a high level of fire protection service					~	>
PS3 – Achieve an effective emergency management plan					~	
OS1 – Maintain a strong, fiscally sustainable organization	~

Police - Administration

DIVISION DESCRIPTION

The Police – Administration division's primary responsibility is to provide vision, leadership, and management of all Police Department activities.

DIVISION GOALS AND ACTION ITEMS FOR FY 2018-2019

PS1: Prevent, control, and reduce crime

Total Employees (Full-Time Equivalents)

Goal: Monitor crime trends and develop strategies to reduce crime

Action Item: Utilize surveillance and unmarked vehicles to combat motor vehicle crimes throughout the city

OS1: Maintain a strong, fiscally sustainable organization

Goal: Effectively manage the expenditures of the Police Department **Action Item:** Monitor each division's expenditures on a monthly basis

Goal: Maintain all standards set forth by the Texas Police Chiefs Association Recognition Program

Action Item: Provide each division with necessary training and equipment to achieve compliance with all standards

SIGNIFICANT CHANGES IN THE FY 2018-2019 BUDGET

- Appropriations for wages, taxes, and retirement increase to account for growth in salaries
- Service contract costs increase to purchase and maintain investigation software
- Professional development costs grow as more leadership training becomes available
- Information technology expenditures rise to reflect changes to the cost allocation schedule
- > Transfers for equipment replacement expand due to a higher contribution level

Police - Crime Investigation

DIVISION DESCRIPTION

The Police – Crime Investigation division's responsibilities include compiling and analyzing crime data; investigating crimes; collecting evidence; identifying perpetrators; and preparing cases to aid in the successful prosecution of criminals.

DIVISION GOALS AND ACTION ITEMS FOR FY 2018-2019

PS1: Prevent, control, and reduce crime

Goal: Protect the integrity of all evidence collected to aid the prosecution of crimes

Action Item: Educate patrol officers on the collection and preservation of crime scene evidence

Goal: Reduce the number of vehicle crimes by one percent

Action Item: Increase the use of unmarked police vehicle patrols in apartment and business parking lots during peak times

Goal: Maintain standard operating procedures while rotating job assignments among staff

Action Item: Train and mentor police officers who are assigned to the division

SIGNIFICANT CHANGES IN THE FY 2018-2019 BUDGET

- > Appropriations for wages, taxes, and retirement increase to account for growth in salaries
- Expenditures for small tools and equipment rise to purchase crime scene tools and office chairs
- Medical services charges fall to historical spending levels
- > Professional development costs grow as more leadership training becomes available
- Information technology expenditures grow to acquire several new computers

Police - Patrol

DIVISION DESCRIPTION

The Police – Patrol division's primary duties include protecting the community by means of proactive patrol, locating and arresting criminals, and responding to a variety of calls for service.

DIVISION GOALS AND ACTION ITEMS FOR FY 2018-2019

PS1: Prevent, control, and reduce crime

Goal: Reduce the number of traffic accidents by one percent

Action Item: Concentrate patrols in locations where the greatest numbers of traffic accidents occur

Goal: Increase the number of narcotics arrests by one percent

Action Item: Utilize canine units, street crimes unit, and DEA Task Force to enhance enforcement procedures for narcotic activity

Goal: Reduce the number of vehicle crimes by one percent

Action Item: Increase patrol in those areas identified with frequent vehicle crimes

SIGNIFICANT CHANGES IN THE FY 2018-2019 BUDGET

- Appropriations for small tools and equipment rise to acquire speed signs, computer equipment, and self-defense products
- Expenditures for vehicle and equipment supplies grow due to higher fuel consumption and prices
- > Information technology expenditures rise to reflect changes to the cost allocation schedule
- > Capital outlay reflects the purchase of a surveillance trailer, metal detector, and commercial vehicle enforcement equipment

Police – Communications

DIVISION DESCRIPTION

The Police – Communications division's primary duties include answering a variety of 911 calls for service and dispatching the appropriate first responders utilizing the latest technology to ensure a rapid response. The division also responds to open records requests and manages all police records.

DIVISION GOALS AND ACTION ITEMS FOR FY 2018-2019

CE6: Encourage community activities that promote Webster's brand

Goal: Strengthen the relationship between police and the community **Action Item:** Attend multiple community events and facilitate the Webster Citizen's Police Academy

PS1: Prevent, control, and reduce crime

Goal: Improve the quality of interactions with the public and staff **Action Item:** Monitor employee performance with audio recordings

Goal: Improve the efficiency of the communications center during peak hours

Action Item: Hire two additional telecommunications operators to assist with the increased call volume at certain times of the day

SIGNIFICANT CHANGES IN THE FY 2018-2019 BUDGET

- Two Telecommunications Operator positions are added to provide support during peak hours of operation
- > Appropriations for office furnishings increase to replace the furniture in the records office
- Professional development costs grow as more leadership training becomes available
- Information technology expenditures rise to reflect changes to the cost allocation schedule

Fire Prevention

DIVISION DESCRIPTION

The objective of the Fire Prevention division is to promote the health and safety of citizens and visitors to the City. This is accomplished through prevention activities, public education programs, and the enforcement of City codes. The administrative functions of the fire department are the responsibility of this division.

DIVISION GOALS AND ACTION ITEMS FOR FY 2018-2019

PS2: Maintain a high level of fire protection service

Goal: Inspect all commercial occupancies on an annual basis

Action Item: Implement a company-level inspection program to ensure coverage

Goal: Expand fire safety education to all ages

Total Employees (Full-Time Equivalents)

Action Item: Schedule age-appropriate fire safety programs and monitor them through a testing procedure

Goal: Conduct an emergency scenario involving each city department to ensure competency

Action Item: Lead a full-scale disaster exercise at the emergency operations center

SIGNIFICANT CHANGES IN THE FY 2018-2019 BUDGET

- One Assistant Fire Chief position transfers from the Fire Operations division to assist with emergency operations
- > One Administrative Assistant position transfers from the Emergency Management division to provide administrative support
- > Expenditures for small tools and equipment rise to purchase handheld radios and body cameras
- Professional development costs grow due to the absorption of the emergency management function into this division
- > Information technology expenditures rise with the move of the emergency operations center into the fire station
- Capital outlay falls after the purchase of a digital fire simulator during FY 17-18

Fire Operations

DIVISION DESCRIPTION

The primary responsibilities of the Fire Operations division are fire suppression and emergency medical services. The Webster Fire Department operates from one fire station. Firefighters provide 24-hour coverage at Fire Station #1.

DIVISION GOALS AND ACTION ITEMS FOR FY 2018-2019

PS2: Maintain a high level of fire protection service

Goal: Begin a self-assessment and review for a Texas Best Practice update **Action Item:** Correct any deficiencies that are found and file the required report

Goal: Maintain and replace apparatus as needed

Action Item: Review service levels and equipment needed to meet service demands

Goal: Deliver effective level of service

Action Item: Provide advanced life support capabilities for first-out apparatus

SIGNIFICANT CHANGES IN THE FY 2018-2019 BUDGET

- One Assistant Fire Chief position transfers to the Fire Prevention division to assist with emergency operations
- Appropriations for office furnishings increase to replace several office chairs
- > Small tools and equipment costs rise with the purchase of a defibrillator/monitor unit for the fire apparatus
- > Uniform and apparel expenditures include a supplemental request to acquire ballistic vests for firefighters
- > Charges for EMS services grow to add a second ambulance on shift twelve hours per day
- > Transfers for equipment replacement expand to set aside deployment funds for future vehicle replacement

Emergency Management

DIVISION DESCRIPTION

The primary responsibility of the Emergency Management division is the development and review of written procedures to proactively address natural and man-made disasters. This is accomplished through the implementation and evaluation of emergency management plans in compliance with state and federal regulations. The duties of this division are being absorbed by the Fire Prevention division beginning in FY 2018-2019.

General Debt Service Fund Overview

The General Debt Service Fund is used for the accumulation of resources for the payment of the City's general long-term debt.

Payment of current year general debt obligations is provided by a dedicated portion of current year ad-valorem tax collections. The debt rate for FY 2018-19 is \$0.11994 or thirty-four percent of the total tax rate of \$0.34794.

The Webster EDC transfers \$330,030 to this fund to service a portion of the debt that was issued for the renovation and expansion of the Emergency Operations Center and Police Department building in 2001.

Long-term debt at September 30, 2018 is comprised of the following debt issues:

Description		Principal
Refunding Bonds, Series 2013	\$	3,580,000
Refunding Bonds, Series 2010		1,540,000
Total General Obligation Bo	nds \$	5,120,000
Certificates of Obligation, Series 2018A	\$	5,040,000
Certificates of Obligation, Series 2012		4,910,000
Total Certficates of Obligation	on \$	9,950,000
Total General Long-Term De	ebt <u>\$</u>	15,070,000

All taxable property in the City of Webster is subject to the assessment, levy and collection by the City of an annual ad valorem tax levied, within the limits prescribed by law, sufficient to provide for the payment of principal and interest on debt issued by the government. Article XI, Section 5, of the Texas Constitution is applicable to the City, and limits its maximum ad valorem tax rate to \$2.50 per \$100 of assessed valuation for all City purposes. The City operates under a Home-Rule Charter, which adopts the constitutional provisions. Administratively, the Attorney General of the State of Texas will only permit the allocation of \$1.50 of the \$2.50 maximum rate for all general obligation debt service, as calculated at the time of issuance. The City's total tax rate of \$0.34794 and debt rate of \$0.11994 are well below the maximum rates allowed by law.

Chapter 1331 of the Texas Government Code places additional limits on municipalities with populations greater than 750,000. These entities may incur total bonded debt in an amount not to exceed ten percent of the total appraised value of property listed on the most recent appraisal roll. While this limit does not legally apply to the City of Webster, it does serve as a guideline. The total general long-term debt of the City is less than one percent of its total appraised value.

Tax Increment Reinvestment Zone (TIRZ) Fund Overview / Statement of Fund Balance

A local government can create a tax increment reinvestment zone (TIRZ) to finance needed improvements and infrastructure within that area. When a TIRZ is created, a base value of real property within the zone is determined. In October 2003, City Council approved an ordinance creating TIRZ #1 consisting of approximately 123 acres. In November 2004, City Council approved a second ordinance which expanded the TIRZ by an additional 437 acres to a total of 560 acres.

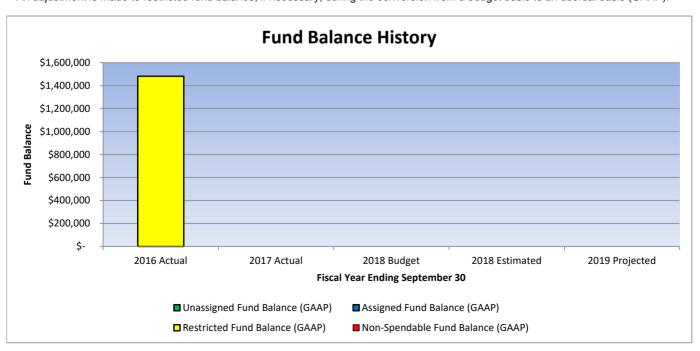

Ad valorem taxes collected on the base value within the TIRZ will continue to be used to pay for operations and debt service for the City. As improvements are made and businesses begin to locate within the zone, appraised real property values increase over time. The increase over the base value is known as the incremental or captured value; the tax levied on the captured value is called the tax increment. The tax increment is deposited into the TIRZ Fund. Tax increment funds must be spent on projects that were part of the project plan included in the ordinance that created the zone.

The Webster Tax Increment Reinvestment Zone #1 was dissolved on December 6, 2016.

Notes:

³ An adjustment is made to restricted fund balance, if necessary, during the conversion from a budget basis to an accrual basis (GAAP).

¹ Excludes Use of Prior Years' Fund Balance

² The grant fund had a deficit fund balance as the City anticipates the appropriation by the grantor.

PEG Channel Fund Overview / Statement of Fund Balance

This fund was created to accumulate funds for a public, educational, and government access channel. Funding for this channel is derived from a contribution from local cablevision franchisees in accordance with Chapter 66 of the Texas Utilities Code. These funds can be spent only on capital items used to provide or enhance PEG channel capacity, programming, and transmission.

Utility Fund Overview

The Utility Fund is established to account for the City's water distribution, wastewater collection and treatment operations, and storm water pollution prevention program. Being an enterprise fund, it is designed to be financed and operated in a manner similar to private businesses. The cost for providing these services to the public is to be recovered primarily through user charges.

Capital improvements, such as water and sewer line upgrades, improvements to the wastewater treatment plant, and added water storage capacity are funded through Capital Project Funds (not included in the annual operating budget). However, maintenance of utility infrastructure is provided by the Utility Fund.

Utility Rate History

Utility Rates

The utility rate structure was updated in May 2017. Customers are charged a minimum utility bill based on meter size derived from the AWWA's meter size equivalency factors. Furthermore, the billing rates for water / wastewater consumption are based on customer class. Utility rates consist of a base rate and a volumetric rate. The base rate is the minimum bill that a customer would receive.

Base Rates

	Oct 15 - Sept 16		Oct 16 - Sept 17			Oct 1	7 - Se _l	pt 18	Oct 18 - Sept 19			
	Water	Wastewater	Water	Wastev	vater	Water	Wast	ewater	Water	Wastewater		
5/8" meter	\$ 5.31	\$ 6.99	\$ 5.31	\$	6.99	\$ 6.07	\$	9.00	\$ 6.17	\$	9.27	
3/4" meter	5.84	6.99	5.84		6.99	6.68		9.00	6.79		9.27	
1" meter	7.43	6.99	7.43		6.99	8.50		9.00	8.64		9.27	
1 1/2" meter	9.56	6.99	9.56		6.99	10.93		9.00	11.11		9.27	
2" meter	15.40	6.99	15.40		6.99	17.60		9.00	17.90		9.27	
3" meter	58.40	6.99	58.40		6.99	66.77		9.00	67.90		9.27	
4" meter	74.33	6.99	74.33		6.99	84.98		9.00	86.42		9.27	
6" meter	111.49	6.99	111.49		6.99	127.47		9.00	129.63		9.27	
8" meter	153.96	6.99	153.96		6.99	153.96		9.00	156.57		9.27	
10" meter	196.44	6.99	196.44		6.99	176.03		9.00	179.01		9.27	

Volumetric Rates

	Oct 1	Oct 15 - Sept 16		Oct 16 - Sept 17					Oct 1	7 - Se	pt 18	Oct 18 - Sept 19			pt 19
	Water	Was	tewater	V	V ater	Was	tewater	٧	Vater	Was	tewater	Wate	er	Was	tewater
Residential	\$ 3.24	\$	4.65	\$	3.24	\$	4.77	\$	3.81	\$	5.29	\$ 3.8	31	\$	5.29
Commercial	3.51		4.65		3.51		4.77		4.13		5.29	4.1	13		5.29
Apartments	3.90		4.65		3.90		4.77		4.59		5.29	4.5	59		5.29

Residential

Residential customers include single family residences and duplexes served by individual water meters. Apartments and townhomes are excluded. The residential billing rate is \$3.81 (water) / \$5.29 (wastewater) for each 1,000 gallons used over the 2,000 gallon base amount. Wastewater charges are billed in a similar manner as water. However, wastewater consumption is capped based on a winter average (average usage from Nov - Feb of the prior year). An average residential customer with a 5/8" meter would pay \$42.74 per month for 5,000 gallons of water and wastewater use.

Commercial / Apartments

The commercial billing rate is \$4.13 (water) / \$5.29 (wastewater) for each 1,000 gallons used. An average commercial customer with a 2" meter would pay \$799.61 for 82,000 gallons of water and wastewater use.

The apartment billing rate is \$4.59 (water) / \$5.29 (wastewater) for each 1,000 gallons used. An average apartment customer with a 2" meter would pay \$837.33 for 82,000 gallons of water and wastewater use.

Drainage Rates

A drainage fee was implemented in October 2009. Customers are charged a fee based upon the amount of impervious surface over within each rate class. Rates are unchanged for Fiscal Year 2017-2018 for all classes.

	Oct 18 - Sept 19
Houses	\$ 1.24 flat rate for all houses
Apartment / Condominium	\$ 0.000733 per sq ft of impervious surface
Nonresidential	\$ 0.000767 per sq ft of impervious surface

Capital Reserve Charge

A capital reserve charge was implemented in October 2012 and ended in September 2015. These funds were accumulated in the Utility Debt Service Reserve Fund.

DIVISIONS

MISSION

Water Wastewater Drainage The mission of the various divisions that make up the Utility function is to provide exemplary service to the citizens and patrons while protecting public health, welfare, safety, and the environment.

SIGNIFICANT UTILITY ACHIEVEMENTS DURING FY 2017-2018

- Replaced the dewatering system at the wastewater treatment plant
- Installed automated meter reading hardware and software
- Continued the meter upgrade and replacement program
- Replaced the sanitary sewer underneath Bay Area Boulevard at Walnut Street
- Rehabilitated two lift stations
- Continued the grease trap inspection program

Water

DIVISION DESCRIPTION

The charge of the Water division is to operate and maintain the water plants and distribution system in a safe and an efficient manner.

DIVISION GOALS AND ACTION ITEMS FOR FY 2018-2019

OS1: Maintain a strong, fiscally sustainable organization

Goal: Protect the health of citizens by frequent inspection of water quality

Action Item: Collect bacteriological samples at various locations of the distribution system

Goal: Ensure optimal operating conditions are maintained

Action Item: Flush every fire hydrant in the system twice annually

Goal: Continue the water meter change-out program

Action Item: Modernize metering equipment as meters are replaced

SIGNIFICANT CHANGES IN THE FY 2018-2019 BUDGET

- > Surface water expense increases due to a true-up of prior year capital costs at the Southeast Water Purification Plant
- Service contract costs rise to purchase and maintain SCADA and meter reading software
- > Capital outlay falls after the acquisition of a base tower meter reader and hydro excavator during FY 17-18
- > Transfers for equipment replacement rise to reflect a supplemental request for an additional vehicle for city staff
- > Transfers to the utility interest and sinking fund grows to reflect the issuance of certificates of obligation in 2018

Wastewater

DIVISION DESCRIPTION

The charge of the Wastewater division is to protect the public health by operating and maintaining the collection, treatment, and disposal of wastewater in accordance with all local, state, and federal regulations.

DIVISION GOALS AND ACTION ITEMS FOR FY 2018-2019

OS1: Maintain a strong, fiscally sustainable organization

Goal: Protect the health of citizens by frequent inspection of wastewater discharge

Action Item: Collect bacteriological samples of wastewater discharge

Goal: Ensure optimal operating conditions are maintained **Action Item:** Rehabilitate two wastewater lift stations

Goal: Enhance compliance with all wastewater regulations **Action Item:** Increase after-hours sampling of discharge

SIGNIFICANT CHANGES IN THE FY 2018-2019 BUDGET

- > Property maintenance expense increases to install perimeter fencing around the service center
- > Treatment plant maintenance costs fall after the replacement of the belt press and bar screens during FY 17-18
- > Transfers to the utility interest and sinking fund falls after the cash redemption of utility revenue bonds in 2018
- > Transfers for equipment replacement rise to reflect a supplemental request for an additional vehicle for city staff
- > Transfers to the construction fund decline after the force main at lift station #3 was upsized during FY 17-18

Drainage

DIVISION DESCRIPTION

The primary function of the Drainage division is to maintain the drainage system in an efficient manner, ensuring compliance with all regulatory agencies.

DIVISION GOALS AND ACTION ITEMS FOR FY 2018-2019

OS1: Maintain a strong, fiscally sustainable organization

Goal: Preserve and enhance the condition of the storm water system

Action Item: Clean and repair storm water lines as identified by an annual inspection

Goal: Ensure compliance with all storm water regulations

Action Item: Implement the storm water management plan and discharge permit

Goal: Sustain the quality of the City's watershed

Action Item: Educate the public regarding sources of pollution into the storm water system

SIGNIFICANT CHANGES IN THE FY 2018-2019 BUDGET

- > Appropriations for wages, taxes, and retirement increase to account for growth in salaries
- Collection system maintenance expenses surge to repair storm sewers at Travis Street and Professional Park
- Charges for professional services rise to renew the permit for the City's storm water management program
- > Transfers for equipment replacement expand due to a higher contribution level

Utility Debt Service Reserve Fund Overview / Statement of Fund Balance

The Capital Reserve Charge was deposited into a new Debt Service Reserve Fund for the sole purpose of building a reserve for bond issues related to major infrastructure. Beginning in FY 2017-18, revenue that is collected prior to the issuance of debt for the 42" water line replacement project will be deposited into the Debt Service Reserve Fund.

Utility Interest and Sinking Fund Overview

The Utility Interest & Sinking Fund is used for the accumulation of resources and for the payment of the City's utility debt, primarily revenue bonds. The utility rates adopted by the City Council must be sufficient to recover both current year and, if necessary, anticipated future debt obligations.

Long-term debt at September 30, 2018 is comprised of the following debt issues:

Description	 Principal
Certificates of Obligation, Series 2018B	\$ 1,975,000
Total Certificates of Obligation	\$ 1,975,000
General Obligation Refunding Bonds, Series 2014	 3,820,000
Total General Obligation Bonds	\$ 3,820,000
Total Utility Long-Term Debt	\$ 5,795,000

Equipment Replacement Fund Overview / Statement of Fund Balance

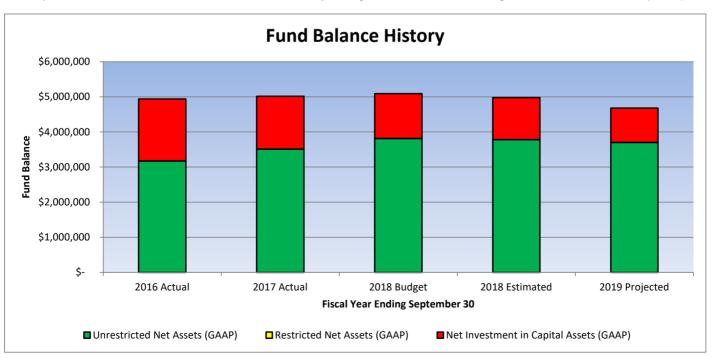

The purpose of the Equipment Replacement Fund is to ensure sufficient funding for the orderly replacement of worn out or obsolete vehicles and heavy equipment. The concept is to provide an internal financing mechanism to provide cash funding for equipment replacement on a consistent basis. Each participating division is charged an annual expense amount based on their fleet equipment holdings to replace scheduled equipment at the end of its useful life.

In FY 2018-19, a total of \$1,000,120 will be transferred into this fund from other divisions. Divisions within the General Fund will transfer \$788,070 (100% of full annual replacement amount). The Utility Fund will transfer \$206,250 (100% of full annual replacement amount). The Information Technology Fund will transfer \$5,800 (100% of full annual replacement amount).

MISSION

Information Technology

The mission of the Information Technology function is to provide end users with the technological tools necessary to excel in their jobs and to partner with users to analyze, inform, and implement technology to improve workflow and operational practices.

SIGNIFICANT INFORMATION TECHNOLOGY ACHIEVEMENTS DURING FY 2017-2018

- Replaced core switches and storage arrays for increased throughput speeds
- Acquired a cell phone booster for the fire station
- > Replaced the antivirus software to better meet the needs of the city

City Council Goals That Are Addressed In The FY 2018-2019 Annual Budget

Information Technology

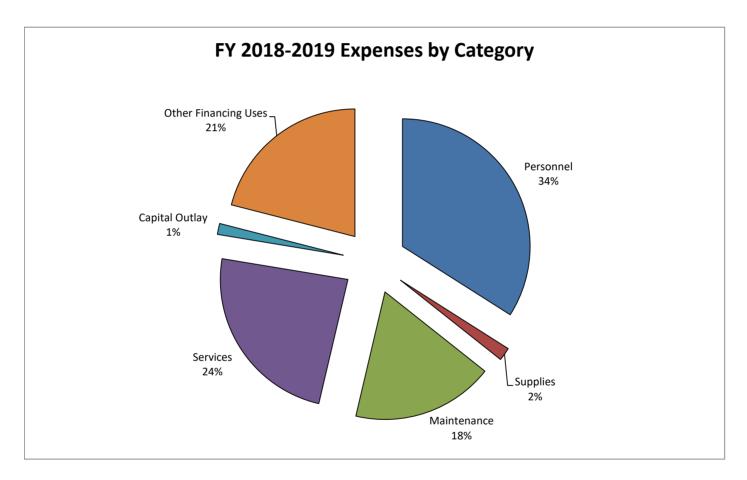

OS1 - Maintain a strong, fiscally sustainable organization

Information Technology

DIVISION DESCRIPTION

The Information Technology division has operational, strategic, and fiscal responsibility for the innovation, implementation, and advancement of technology in the City. These responsibilities are divided into main areas of management, teaching, learning, and community services. The division strives to provide effective technology support that help develop, enhance, and manage the City enterprise networks with the highest quality technology-based services in the most cost effective manner.

DIVISION GOALS AND ACTION ITEMS FOR FY 2018-2019

OS1: Maintain a strong, fiscally sustainable organization

Goal: Ensure that the computer network remains current, efficient, and functional

Action Item: Continue upgrading the network software and equipment to modern technology standards

Goal: Propose cost-effective hardware and reduce overall maintenance costs

Action Item: Replace the city-wide proprietary security alarm/monitoring system to provide efficient services

Goal: Explore innovative technology programs to benefit the city and its constituents

Action Item: Reequip city buildings with the latest fiber optic cabling to facilitate higher data throughput speeds

SIGNIFICANT CHANGES IN THE FY 2018-2019 BUDGET

- > Appropriations for wages, taxes, and retirement increase to account for growth in salaries
- Service contract expenses decline after funding antivirus software and security alarm equipment during FY 17-18
- Computer replacement costs rise to replace servers that have become obsolete
- Capital outlay falls after the purchase of a cell phone booster for the fire station during FY 17-18
- > Transfers for IT projects include the costs of rewiring city buildings with modern fiber optic cables

CAPITAL IMPROVEMENTS PROGRAM OVERVIEW 2019 – 2023

The FY 2019-23 Capital Improvements Program (CIP) represents the City's plan for development. The Capital Improvements Program is reviewed each year to reflect changing priorities and to provide a framework for identifying capital requirements; the impact of capital projects on operating budgets; scheduling; and coordinating related projects.

The Capital Improvements Program has two primary components. The General Government CIP represents non-utility projects such as streets, parks, and general government facilities. Typically, these projects will be funded via general obligation bonds, certificates of obligation, tax revenue, or other financing methods. The Utility CIP represents projects that benefit the City's Utility Fund. These projects are typically funded with revenue bonds, impact fees, and rate revenue.

The CIP budget is a five-year program that is compiled by City staff. Necessary projects are identified; costs are estimated; and possible funding sources are acknowledged. Additional operating and maintenance costs are also reflected for each project. Recommended capital improvements are reviewed by the City Manager. Afterwards, they are sent to City Council for final approval.

FY 2018-19 CAPITAL-RELATED EXPENDITURES

A total of \$1,850,600 is to be spent for capital-related items during FY 2018-19. The majority of these expenditures (\$1,245,600 or 67%) can be attributed to routine capital expenditures. The remaining amount (\$605,000) is directly related to the Capital Improvements Program.

Capital Improvements Program (CIP)	
Streets and Sidewalks Projects	\$275,000
Special and General Projects	330,000
Total CIP Expenditures	\$605,000
Routine Expenditures	
General Fund	\$92,000
Utility Fund	5,000
Equipment Replacement Fund	1,135,000
Information Technology Fund	13,600
Total Routine Expenditures	\$1,245,600
Total Capital-Related Expenditures	\$1,850,600

CAPITAL IMPROVEMENTS PROGRAM OVERVIEW 2019 – 2023

GENERAL GOVERNMENT PROJECTS

Parks and Recreation Projects

Building a new shared use path will occur in three phases beginning in 2021. This project will provide connectivity for East-West pedestrian and bicycle travel between the shared-use path on FM 270 and Challenger Park.

Streets and Sidewalks Projects

Part of the five-year plan calls for the construction of NASA Bypass Extension from Interstate 45 to NASA Parkway. This vital road will enhance mobility and spur economic development. Funding for the roadway design was completed in 2018. Construction is expected to begin in 2021. Improvements to Professional Park will be done in 2019. Sidewalks will also be constructed along Bay Area Boulevard and Medical Center Boulevard.

Special and General Projects

After upgrading the core switches and servers in 2018, the fiber optic cabling in all city buildings will be upgraded to Cat-6A to increase data throughput speeds to ten gigabytes per second. This project will improve networking capabilities.

UTILITY PROJECTS

The Utility CIP reflects projects that are structured to meet future development. These projects are included in the five-year utility rate design as well as the impact fee study. Because expected growth is not always initiated as planned, utility projects are often advanced forward or pushed backward among years.

Water Projects

Six projects have been identified for the Capital Improvements Program for the next five years. After paying \$2,000,000 in 2018 for engineering costs, \$8,000,000 will be needed in 2020 to construct the 42" water line from the Southeast Water Purification to Webster. Work along NASA Bypass Extension will allow future development to occur in these areas.

Wastewater Projects

New sewer lines along Interstate Highway 45 are two projects scheduled for 2020. In 2021, a sewer line will need to be constructed if Jasmine Street is extended. Anticipated future development requires work along NASA Bypass Extension in the upcoming years.

CAPITAL IMPROVEMENTS PROGRAM OVERVIEW 2019 – 2023

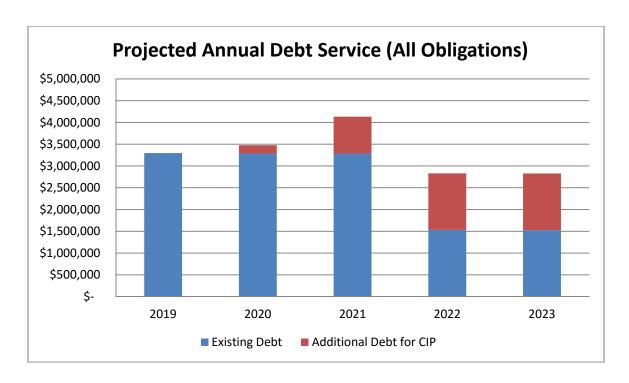

IMPACT UPON FUTURE BUDGETS

The City of Webster utilizes the most beneficial method of financing capital projects including cash, bonds, developer contributions, and grants. The appropriate financing method depends, in part, upon the effect to the property tax rate.

The five-year Capital Improvements Program calls for spending \$275,000 of General Fund revenue and \$170,000 of Information Technology Fund revenue in 2019. Contributions from the General Fund rise substantially in 2020 to \$1,350,000 with the planned cash-funding of several major projects. A total of \$610,000 may be spent over the three-year period from 2021 to 2023. This use of General Fund revenue is highly dependent upon the receipt of grant funds. If grants are not awarded, it will be necessary to increase the General Fund contribution or issue more debt to complete the projects.

One tax-supported bond issuance may occur over the next five years. Annual debt service would increase by \$364,000 in 2021. Assuming taxable property values remained at \$2.1 billion, the debt service portion of the property tax rate would increase by a total of 1.7 cents. In addition to tax-supported debt, the Utility Fund may issue \$12,600,000 during this timeframe. Average annual debt service for utilities would consequently increase by approximately \$951,000.

The Capital Improvements Program contains the anticipated operating costs associated with each project. Most of the projects have little impact upon operations. Over the five year program, operations and maintenance costs are expected to increase by \$19,000 to maintain the shared use path.

Capital Improvements Program Fiscal Years 2019 - 2023 General Government Projects

General Government Parks and Recreation

East-West Shared Use Path

Project Description

This project will provide connectivity for East-West pedestrian and bicycle travel between the FM 270 shared-use path and Challenger Park.

A four-phase approach to construction is anticipated:

2021 Highway 3 to Kobayashi
2022 Kobayashi to Interstate 45
2022 Interstate 45 to Challenger Park
2023 FM 270 to Highway 3

Effect Upon Operations & Maintenance

Annual maintenance costs are expected to increase by \$2,000 - \$5,000 per phase to maintain the path.

Estimated Project Cost \$ 3,050,000

	2019	2020	2021	2022	2023

Streets and Sidewalks

Commerce Street Overlay

Project Description

This project would replace the existing asphalt pavement along Commerce Street (approximately 1,700 LF) with new asphalt pavement. Heavy commercial traffic from the adjacent concrete plant has substantially deteriorated the road. The asphalt pavement will extend the life of the street and promote development along the east side of Commerce Street.

Effect Upon Operations & Maintenance

No significant change to operation and maintenance expenditures are anticipated with this item.

Estimated Project Cost	\$	200,000

General Government Streets and Sidewalks

NASA Bypass Extension

Project Description

This project consists of the extension of NASA Bypass from Interstate 45 to NASA Parkway. The four-lane divided roadway would provide enhanced mobility east to west. When combined with the future extension of Beamer Road and the proposed Landing Boulevard in League City, north to south mobility would increase as well. NASA Bypass Extension will provide an additional evacuation route, spur economic development, and alleviate congestion.

Effect Upon Operations & Maintenance

No change to operation and maintenance expenditures are anticipated in the first five years. However, expenditures for debt service are likely to increase if bonds are issued as anticipated.

Estimated Project Cost	\$	13,500,000

Utility Water

Hwy 3 12" Water Line

Project Description

This project adds approximately 1,300 feet of 12-inch water supply line along State Highway 3 from Texas Avenue West to North. This line is provide water service to the area west of State Highway 3.

Effect Upon Operations & Maintenance

No change to operation and maintenance expenditures are anticipated with this item.

Utility Water

42" Water Line from SEWPP to Webster

Project Description

The main source of water for the City of Webster and several other entities is the Southeast Water Purification Plant that is operated by the City of Houston. Constructed in the 1970's, the 42" water line from the plant to the City has reached the end of its life. The line has required numerous repairs and has been de-rated from 100 psi to 80-85 psi due to its poor condition. The City of Houston has notified the City of its intention to replace this line beginning in 2018. Owning a 10% interest in the plant, Webster will be expected to contribute \$8,000,000 towards the cost of construction.

Effect Upon Operations & Maintenance

No change to operation and maintenance expenditures are anticipated with this item. However, debt service expenses will increase with the issuance of bonds for this project.

Webster Economic Development Corporation Overview

The Webster Economic Development Corporation (WEDC), incorporated on September 21, 1999, in accordance with the Texas Development Corporation Act of 1979 and governed by Section 4B of the Act, authorized a half-cent sales tax to be used to promote a wide range of initiatives designed to stimulate new and expanded commercial development, including the funding of land, buildings, facilities, infrastructure, and expenditures that comply with eligible projects as defined in the Act and subsequently codified in Chapter 505 of the Texas Local Government Code. The purpose of WEDC is to grow the City's commercial tax base in order to foster a vibrant economy. Since its inception, two of WEDC's principles continue to be the funding of infrastructure projects that fuel commercial development within targeted sectors and establishing a destination development. Additional WEDC tenets include conducting proactive, innovative business recruitment, forging strong bonds between the City and its commercial constituents, and marketing and positioning Webster as the medical center of the south, the retail, dining and entertainment capital of Bay Area Houston, and the aerospace capital of the southwest.

City staff performs all functions of the WEDC, including economic development activities, project management, accounting services, audit services, and cash and investment activities. These activities are authorized under the Administrative Services Contract by and between the City of Webster and WEDC. A charge of \$700,000 is assessed annually. WEDC acts on behalf of the City and is regulated by a seven-member board of directors, comprised of three City Council members, two Webster residents, one Webster business representative who resides in Webster, and one Webster business representative who resides in Harris County.

For Fiscal Year 2018-19, \$974,850 of the \$4,666,750 in budgeted revenues (20.9%) will be used to pay debt service on the Sales Tax Revenue Refunding Bonds, Series 2015, and Sales Tax Revenue Bonds, Series 2017.

Webster Economic Development Corporation

DIVISION DESCRIPTION

The mission of the Webster Economic Development Corporation (WEDC) is to grow the City of Webster's commercial tax base to cultivate a vibrant community. Through business recruitment, expansion, and retention initiatives, WEDC markets the City of Webster as the nucleus for targeted industry sectors including retail, dining, entertainment, medical, aerospace, professional office, and tourism.

ACHIEVEMENTS DURING FY 2017-2018

- Orchestrated the creation of Project Genesis, which includes Odyssey Park and Costco
- Recruited several key international and national businesses to Magnolia Court Business Park and Odyssey Park
- > Facilitated new infrastructure and commercial development within the Destination Development project and Project Genesis

DIVISION GOALS AND ACTION ITEMS FOR FY 2018-2019

Goal: Foster new commercial development within Project Genesis, in conjunction with new infrastructure systems **Action Item:** Conduct business recruitment for the project area

Goal: Cultivate economic development within the Destination Development Project, in conjunction with new infrastructure systems **Action Item:** Recruit retail, dining, entertainment, and hotel venues for the project area

Goal: Expand Webster's position as the medical, aerospace, retail, dining, entertainment, and tourism capital of the region **Action Item:** Conduct business recruitment, retention, and expansion activities for targeted sectors, including office/business parks

SIGNIFICANT CHANGES IN THE FY 2018-2019 BUDGET

- Appropriations for professional services rise to mow and landscape the Corporation's property in the Destination Development
- > Professional development costs grow as more training becomes available for economic development staff
- > Expenditures for economic development initiatives climb to reflect payments to Costco Wholesale Corporation
- Transfers to the WEDC debt service fund fall in accordance with the debt payment schedule

Glossary of Terms

Account A term used to identify an individual asset, liability, expenditure control, revenue

control, encumbrance, or fund balance.

Account Groups Accounting structure used to provide accountability for the city's general fixed

assets and the portion of the principal of its general long-term debt that has not

yet matured.

Account Number A specific expenditure classification: applies to the article purchased or the

service obtained, rather than to the purpose (use) for which the expenditure was made, e.g. 0100 – payroll, 1400 – office and postage, 3110 – communications.

Accounts Payable A short-term liability account reflecting amounts owed to vendors for goods and

services received by the city.

Accrual Basis of Accounting The method of accounting under which revenues are recorded when they are

earned (whether or not cash is received at the time) and expenditures that are

recorded when goods and services are received (whether or not cash

disbursements are made at that time).

Ad-valorem Taxes Real estate and personal property taxes. Ad-valorem is defined by the Webster's

New World Dictionary as "in proportion to the value." Property taxes are levied as ϕ per \$100 of appraised value. Property is appraised at 100% of market

value.

Amortization The process of extinguishing a long-term obligation through a series of

scheduled payments over a period of time.

Appropriation An authorization granted by a legislative body to make expenditures to incur

obligations for specific purposes. An appropriation is limited in amount to the

time it may be expended.

Assessed Valuation A valuation set upon real property or other property by a government as a basis

for levying taxes. Assessed value of property is determined by the Harris County

Appraisal District, typically at market value.

Asset Property owned by the city government that has monetary value.

Audit A systematic examination of all governmental resources concluding in a written

report and prepared by a certified public accountant. It is intended to test whether financial statements fairly present financial position and results of

operations.

Balanced Budget The status of a budget whereby expected resources, including the use of

accumulated reserves, exceed or are equal to anticipated expenditures.

Bonded Debt That portion of indebtedness represented by outstanding bonds.

Bonds, General Obligation A written promise to pay an amount of money, backed by the full faith and credit

of the city, usually secured by dedicated ad-valorem taxes.

Bonds Issued Bonds sold.

Budget (Operating)A plan of financial operation embodying an estimate of proposed expenditures for

a given period and the proposed means of financing them. The term usually

indicates a financial plan for a single fiscal year.

Budget Calendar A schedule of key dates which the City Council follows in preparation and

adoption of the budget.

Budget Message A general discussion of the proposed budget, as presented in writing by the City

Manager, addressed towards the Mayor, City Council, and citizens.

Budget Ordinance The official enactment by the City Council establishing the legal authority for

officials to obligate and expend resources.

Capital Assets Assets of significant value (over \$5,000) having a useful life of several years.

Capital Budget A plan of proposed capital outlays and the means for financing them. Usually

enacted as part of the complete annual budget.

Capital Improvements Program A plan for capital expenditures to be incurred each year over a fixed period of

several years setting forth each capital project, identifying the expected beginning and ending date for each project, the amount and the method of

financing.

Capital Outlay Expenditures which result in the acquisition or addition of capital assets.

Capital Projects Funds Established to account for all resources, bond proceeds and construction grants,

which are used for the acquisition of capital facilities infrastructure.

Cash Basis A type of accounting in which transactions are recognized typically when cash

changes hands.

Central Appraisal District (CAD)

CAD is charged with the responsibility for establishing a consistent property

value used by all taxing jurisdictions to levy taxes.

Chart of Accounts The classification system used by a city to organize the accounting for various

funds.

Compensated Absences Recorded non-worked benefit hours that will be paid (e.g., vacation, sick,

holidays and compensatory time earned).

Contingency A budgetary reserve set aside for emergencies or unforeseen expenditures.

Customer DepositsDeposits made by customers as a prerequisite to receiving utility services.

Recorded as a liability.

Debt An obligation resulting from borrowing money or from purchasing goods or

services.

Debt Limit The maximum amount of gross or net debt legally permitted.

Debt Service The cost of paying principal and interest on borrowed money according to a

predetermined payment schedule.

Debt Service FundA fund established to finance and account for the accumulation of resources for,

and the payment of, general long-term debt principal and interest. Also called a

sinking fund.

Depreciation (1) Expiration in the service life of capital assets, attributable to wear and tear

through use and lapse of time, obsolescence, inadequacy, or other physical or functional cause. (2) The portion of the cost of a capital asset charged as an

expense during a particular period.

Distinguished Budget Presentation Award Program

A voluntary awards program administered by the Government Finance Officers Association to encourage governments to prepare effective budget documents. The document is graded as a Policy Document, a Financial Plan, an Operations Guide and as a Communications Device.

Division

The basic organizational unit of the city which is functionally unique in its delivery of services.

Encumbrances

Obligations in the form of purchase orders, contracts, or salary commitments that are chargeable to an appropriation and for which a part of the appropriation is reserved. They cease to be encumbrances when paid or when the actual liability is set up.

Enterprise Fund

A proprietary fund type established to finance and account for an operation that is financed and operated in a manner similar to private business enterprises - whereby the intent is that the costs (expenses, including depreciation) of providing goods or services to external customers on a continuing basis be financed or recovered primarily through user charges. Examples of enterprise funds are those for water and wastewater services.

Expenditures

If the accounts are kept on the accrual basis, this term designates total charges incurred, whether paid or unpaid, including expenses, provision for retirement of debt not reported as a liability of the fund from which retired, and capital outlays. Note: Encumbrances are not considered expenditures.

Expenses

Charges incurred, whether paid or unpaid, for operation, maintenance, and interest, and other charges that are presumed to benefit the current fiscal period.

Financial Advisor

A consultant who provides advice on any of a variety of issues related to financial matters, particularly with the issuance of debt. The financial advisor for the City is U.S. Capital Advisors LLC.

Fiscal Policy

The city's policy with respect to revenues, spending and debt management. These govern the ability of the city to provide services, programs and capital investment. Fiscal policy provides an agreed upon set of principles for the planning and programming of the annual budget.

Fiscal Year (FY)

A designated 12-month accounting period. The fiscal year for the City begins on October 1 and ends on September 30 of the following year.

Fixed Charges

Expenses (the amount of which is more or less fixed). Examples are interest, insurance, and contributions to pension funds.

Franchise Fee

A charge by the city for a special privilege granted by the city permitting the continued use of public right-of-way, usually involving elements of monopoly and regulations (e.g., Time Warner Cable, CenterPoint Energy).

Full Faith and Credit

A pledge of the general taxing power of a government to repay debt obligations (typically used in reference to bonds).

Full-Time Equivalent (FTE)

A measure of authorized personnel calculated by dividing hours of work per year by the number of hours worked per year by a full-time employee.

Function

A group of related activities aimed at accomplishing a major service or regulatory program for which the city is responsible (e.g., Public Safety).

Fund

A fiscal and reporting unit of the city responsible for its own financial resources. A fund is established to carry on certain specific activities or obtain specified objectives in accordance with legal direction (e.g., Utility or Hotel Occupancy Tax Fund). Funds are usually broken down into units, determined by function of that unit (e.g., Police, Fire, Finance and Parks are functional activities within the General Fund). A department may be further broken down into specific purposes (e.g., Police Administration, CID, Patrol, Communications, Fire Prevention, and Fire Operations are divisions of the Public Safety Department).

Fund Balance

Money available for contingency situations or in the event of an emergency. Called retained earnings in proprietary-type funds. Fund balances may be reserved for specific future use, or may be undesignated. The source of this money is typically when prior years' revenues exceed expenditures resulting in a cash surplus.

Fund Balance (Non-spendable)

The portion of fund balance that is not available for spending, either now or in the future, because of the form of the asset (e.g., inventories, pre-paid expenses, capital assets) or a permanent legal restriction (e.g., principal portion of an endowment).

Fund Balance (Spendable)

The portion of fund balance that is available for spending. Spendable fund balance is divided into four categories:

Restricted spendable fund balance includes amounts that can only be spent for the specific purposes stipulated by constitution, external resource providers, or through enabling legislation.

Committed spendable fund balance includes amounts that can be used only for specific purposes determined by formal action of the government's highest level of decision-making authority.

Assigned spendable fund balance includes resources intended for spending for a purpose set by the governing body itself or by some person or body delegated to exercise such authority in accordance with policy established by the government's highest level of decision-making authority.

Unassigned spendable fund balance includes the residual spendable amounts not contained in other classifications.

GAAP

Generally Accepted Accounting Principles. Uniform minimum standards and guidelines for financial accounting and reporting. They govern the form and content of the financial statements of an entity. GAAP encompass the conventions, rules, and procedures necessary to define accepted accounting practice at a particular time. They include not only broad guidelines of general application, but also detailed practices and procedures. GAAP provide a standard by which to measure financial presentations. The primary authoritative body on the application of GAAP to state and local governments is the Governmental Accounting Standards Board.

General Fund

The fund that is available for any legal authorized purpose and which is therefore used to account for all revenues and all activities except those required to be accounted for in another fund. Note: The General Fund is used to account for the ordinary operations of the city.

General Obligation Bonds

Bonds for whose payments the full faith and credit for the issuing body are pledged. More commonly, but not necessarily, general obligation bonds are considered to be those payable from taxes and other general revenues.

Governmental Fund

The broadest category of fund types which includes those funds that are used to account for tax-supported (governmental) activities.

Grant

A contribution by one governmental unit to another. The contribution is usually made to aid in the support of a specified function.

Impact Fees

Fees charged by an entity to developers to cover, in whole or in part, the anticipated cost of improvements provided by the entity, necessitated as the result of development.

Income

This term is used in accounting for governmental enterprises and represents the excess of the revenues earned over the expenses incurred in carrying on particular phases of an enterprise's activities. The excess of the total revenues over the total expenses of the utility for a particular accounting period is called "net income."

Internal Control

A plan of organization for purchasing, accounting, other financial activities which, among other things, provides that: the duties of employees are subdivided so that no single employee handles a financial action from beginning to end; proper authorizations from specific responsible officials are obtained before key steps in the processing of transactions are completed; and records and procedures are arranged appropriately to facilitate effective control.

Internal Service Fund

A proprietary fund type that may be used to report any activity that provides goods or services to other funds, departments, or agencies of the primary government and its component units.

Investments

Securities held for the purpose of income generation in the form of interest or dividends.

Levy (noun)

The total amount of taxes imposed by the city, usually refers to property taxes.

Levy (verb)

To impose taxes.

Maturities

The dates on which the principal or stated values of investments or debt obligations mature and may be reclaimed.

Modified Accrual, Basis of Accounting

An accounting theory whereby a) revenues are recognized in the accounting period in which they become available and measurable and b) expenditures are recognized in the accounting period in which the liability is incurred, if measurable. This differs from the full accrual basis, which recognizes the financial effect of transactions when they occur, regardless of the timing of related cash flows. Both differ from the cash basis of accounting that recognizes transactions when related cash amounts are received or disbursed.

Non-Operating Income

Income of governmental enterprises of a business character that is not derived from the operation of such enterprises. An example is interest on investments or on bank deposits.

Operating Expenses

As used in the accounts of governmental enterprises of a business character, the term means such costs as are necessary to the maintenance of the enterprise, the rendering of services for which operated, the sale of merchandise, the production and disposition of commodities produced, and the collection of the revenues.

Ordinance

A formal legislative enactment of the city carrying the full force and effect of a law within the city. An ordinance has more legal formality than a resolution, which has lower legal status. Enactment of ordinances is often specified or implied by the City Charter. Revenue – raising measures or assessment of fees and fines are normally established by ordinance.

Purchase Order (PO) A document issued to a vendor to deliver specified merchandise or render a

specified service for a stated price. Outstanding purchase orders are called

encumbrances.

Rating An independent evaluation to determining the credit-worthiness of the city. The

City has received an "AA+" rating from Standard & Poor's.

Reserve An account used to indicate that a portion of fund equity is legally restricted for a

specific purpose or not available for appropriation and spending.

Resolution A special or temporary order of the city that does not carry the full legal force of

an ordinance.

Retained Earnings An ownership account reflecting the accumulated earnings of a proprietary-type

fund.

RevenueThe yield of taxes and other sources of income that the city collects and receives

into the treasury for public use. For those revenues which are recorded on the accrual basis, this term designates additions to assets which: (a) do not increase any liability; (b) do not represent the recovery of an expenditure; (c) do not represent the cancellation of certain liabilities without a corresponding increase in other liabilities or a decrease in assets; and (d) do not represent contributions of

fund capital in enterprise and internal service funds.

Revenue Bond A type of bond backed only by revenues generated by specific project or

operation.

Sinking Fund See Debt Service Fund.

Special Revenue Funds A fund used to account for the proceeds of specific revenue sources (other than

special assessments, expendable trusts, or for major capital projects) that are legally restricted to expenditure for specified purposes. An example is the Hotel

Occupancy Tax Fund typically maintained by cities.

Tax Collection Property taxes for the City of Webster are consolidated with and collected under

contract by the Harris County Tax Collector.

Tax LevyThe total amount to be raised by general property taxes for purposes specified in

the tax levy ordinance.

Tax Rate The amount of tax levied for each \$100 of assessed valuation.

TCEQ Texas Commission on Environmental Quality – The state unit similar to the EPA

with additional regulatory authority.

TransferAll inter-fund transactions that are not loans, reimbursements or quasi-external

transactions are classified as transfers. The typical operating transfers reflect ongoing operating subsidies between funds. For example, the Utility Fund is assessed an administrative support charge by the General Fund. The Utility Fund records an operating transfer expense and the General Fund records an

operating revenue transfer.

W.E.D.C. Webster Economic Development Corporation. A component unit of the City.
